- The 'bubbles' of your mind map must not be organized according to paragraphs, but rather according to themes.
- You need to have **at least 4 major themes**/supporting arguments so your mind map should comprise of at least 4 'bubbles' and each 'bubble' should include the following:
 - list of **key points** that will be used to discuss the theme;
 - list of **source(s)** that will be used for each key point and note down which sources are of good quality;
 - a **counter argument** and the source that refers to the counter argument.

Note : There needs to be **at least one theme that does not have a counter argument** (you need a minimum of 3 counter arguments). You could, alternatively, list all counter arguments and their sources in a separate 'bubble'.

- **Must indicate the decision** that you have made (agree or disagree).

- Use **linking words** at the start of each new paragraph (eg: "furthermore", "also", "additionally", etc).
- A general outline to follow for discussion of each theme:
 - State the theme to be discussed;
 - State and elaborate on the supporting argument(s). **Make reference to sources used** for each argument and the **quality of the source** (if applicable);
 - State the counter argument to your supporting arguments (if applicable) and make reference to the source used;
 - **Always counter any counter argument** that you give to indicate to the reader why it was not enough to sway your decision. This is also a good opportunity to incorporate own knowledge into the essay. Link this back to the topic.
