Microeconomics The Pearson Series Economics:

Economics Today Roger LeRoy Miller, 2011-01-03 Miller's Economics Today remains committed to providing readers with discussion and coverage of the most current issues and events. Given the immense changes in our economy, this sixteenth edition of Economics Today addresses what has occurred and discusses the importance of today's major economic issues.

Economics Today Roger LeRoy Miller, 2012 Students learn best when they see a concept applied in the context of examples they understand. That is why Economics Today The Macro View is so successful in classrooms where students hail from a wide variety of majors, backgrounds, and ages. An abundance of relentlessly current news-worthy examples motivate every chapter and reflect the interests of today's diverse student population.

Economics Today Roger LeRoy Miller, 2010-12-28 Miller Economics Today The Macro View 16e remains committed to providing students with discussion and coverage of the most current issues and events. This text appeals to today's diverse student population by presenting ideas clearly at an accessible level and in the context of newsworthy applications.

Economics Today Roger LeRoy Miller, 2003-01-01 Economics Today The Micro View has long led the field in offering students and instructors a dynamic application-rich approach to teaching and learning microeconomics. The book is based on the belief that students learn more when they are involved and engaged. The 12th edition features all new examples that have been selected to grab and hold students' attention. These examples serve one basic purpose: to drive home the application of the theory just presented. One of the keys to the success of Economics Today The Micro View is that it is suitable for many teaching styles. Instructors who wish to stress theory can do so. Those who wish to stress applications and examples can do that. Those who wish to incorporate technology into the class can do so with ease using MyEconLab.

Principles of Microeconomics Karl E. Case, Ray C. Fair, Sharon E. Oster, 2016-01-04 Intended primarily for the one-semester principles of microeconomics course, this text also provides practical content to current and aspiring industry professionals. Reviewers tell us that Case Fair Oster is one of the all-time bestselling POE texts because they trust it to be clear, thorough, and complete. Case Fair Oster readers also come away with a basic understanding of how market economies function, an appreciation for the things they do well and a sense of things they do poorly. Readers begin to learn the art and science of economic thinking and begin to look at some policy and even personal decisions in a different way. Note: This is the standalone book.
