

Milliman Care Guidelines®

- **Milliman Care Guidelines** are evidence-based clinical guidelines including care pathways that help providers and payors in effective decision making for the patient care. Milliman Care Guidelines® are annually updated, evidence-based clinical guidelines that span the continuum of care, including chronic care and behavioral health management.
- They are either client-hosted or web-based software that readily interfaces with many medical management and clinical information systems. Interactive version CareWebQ® enables quality improvement and cost efficiency through targeting and reducing inappropriate care. It helps in identifying gaps in care and cause of variation thus reducing their occurrences.
- **Indicia® for Utilization Review** helps clinical teams make admissions decisions and utilization managers justify admissions, level-of-care assignments, and procedures to safeguard reimbursements and meet the challenges of RAC audits.
