Rose Army,2003-12      *The New Industrial State* John Kenneth Galbraith,2015-04-29 With searing wit and incisive  
commentary John Kenneth Galbraith redefined America's perception of itself in *The New Industrial State* one of his landmark  
works The United States is no longer a free enterprise society Galbraith argues but a structured state controlled by the  
largest companies Advertising is the means by which these companies manage demand and create consumer need where  
none previously existed Multinational corporations are the continuation of this power system on an international level The  
goal of these companies is not the betterment of society but immortality through an uninterrupted stream of earnings First
