Weygandt's Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2017-09-05 Weygandt's Managerial Accounting provides students with a clear introduction to fundamental managerial accounting concepts. This edition helps students get the most out of their accounting course by making practice simple. Designed for a one semester undergraduate Managerial Accounting course, the authors provide new opportunities for self-guided practice, allowing students to check their knowledge of accounting concepts, skills, and problem-solving techniques, and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear connections between the reading and video content and the practice homework and assessment questions. Using metric units and companies with a more global feel, this new text is ideal for courses across the world.

Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-06-06 Managerial Accounting provides students with a clear introduction to fundamental managerial accounting concepts. One of the major goals of this product is to orient students to the application of accounting principles and techniques in practice. By providing students with numerous opportunities for practice with a focus on real-world companies, students are better prepared as decision makers in the contemporary business world.

Financial and Managerial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2018-06-06 Financial and Managerial Accounting provides students with a clear introduction to fundamental accounting concepts, beginning with the building blocks of the accounting cycle and continuing through financial statements. This product is ideal for a two semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts as well as learn the accounting cycle from a corporate perspective.

Managerial Accounting Jerry J. Weygandt, Donald E. Kieso, Paul D. Kimmel, 2005 Work more effectively with Weygandt's Working Papers. Designed to accompany Managerial Accounting Tools for Business Decision Making 3rd Edition, these Working Papers provide solution forms and partially completed solution forms for all end-of-chapter brief exercises, exercises, problems, and BYP problems. This resource demonstrates how to correctly set up solution formats. Weygandt's Managerial Accounting Tools for Business Decision Making 3rd Edition gives students the tools they need to succeed, whether as accountants or in other career paths. With a framework in decision making, it covers all the necessary techniques and concepts for a one semester undergraduate managerial accounting course. Many students in this course are not accounting majors and will need to understand the big picture of accounting. Therefore, this text provides them with a pedagogy that helps to build their decision-making skills and to understand how to use accounting information to make quality business decisions in whatever major or career they choose.
