The Writing Revolution Judith C. Hochman, Natalie Wexler, 2017-07-27 Why you need a writing revolution in your classroom and how to lead it The Writing Revolution TWR provides a clear method of instruction that you can use no matter what subject or grade level you teach The model also known as The Hochman Method has demonstrated over and over that it can turn weak writers into strong communicators by focusing on specific techniques that match their needs and by providing them with targeted feedback Insurmountable as the challenges faced by many students may seem The Writing Revolution can make a dramatic difference And the method does more than improve writing skills It also helps Boost reading comprehension Improve organizational and study skills Enhance speaking abilities Develop analytical capabilities The Writing Revolution is as much a method of teaching content as it is a method of teaching writing There s no separate writing block and no separate writing curriculum Instead teachers of all subjects adapt the TWR strategies and activities to their current curriculum and weave them into their content instruction But perhaps what s most revolutionary about the TWR method is that it takes the mystery out of learning to write well It breaks the writing process down into manageable chunks and then has students practice the chunks they need repeatedly while also learning content

Joining the Conversation Mike Palmquist, 2010-01-20 With the success of The Bedford Researcher Mike Palmquist has earned a devoted following of teachers and students who appreciate his accessible approach to the process of inquiry based writing Now he brings his proven methodology and friendly tone to Joining the Conversation While students may know how to send text messages search for images and read the news online all at the same time they don t necessarily know how to juggle the skills they need to engage readers and compose a meaningful contribution to an academic conversation Meeting students where they are working online and collaboratively Joining the Conversation embraces the new realities of writing without sacrificing the support that students need as they write for college and beyond

Lesson Plans for Teaching Writing Chris Jennings Dixon, 2007 Why do students often graduate from high school unprepared for college writing And what can we do about it These are the questions that a group of classroom teachers set out to explore Over the course of seven years a group of middle high school college and university teachers participated in a federally funded writing coalition project to implement innovative approaches to teaching writing Together they developed this series of lesson plans designed to make writing both fun and an integral part of diverse curricula Practical is the

recurrent motif of each teaching strategy Developed by real teachers in real classrooms the lessons are grouped into seven categories writing process portfolios literature research grammar writing on demand and media Each lesson follows a standard format that includes purpose of the activity necessary preparation required props and materials process and procedure for implementation instructional pointers and or possible pitfalls and reflections from the teacher that provide behind the scenes insights
