Laughing in the Dark Patrice Gaines, 1995-10-01 An award winning Washington Post reporter explores the twisted path she traveled to find her place as a confident black female in a world that values whiteness and maleness Here is a rich and insightful story of a life lived on the edge by a woman formerly preoccupied with pleasing everyone but herself Crying in the Morgue, Laughing in the Dark Mary A. Allen, 2014-12-18 With four active boys at home forty one year old Stella Grayson has no energy or desire to raise another child When she becomes pregnant she does everything she can to deny her pregnancy exists When little Myra is born Stella refuses to acknowledge the child hoping she can put the baby up for adoption Stellas husband John would never agree hes been hoping to raise a little girl The doctor sends Myra to the morgue to die But God intervenes and Myra is given a chance at life Despite Myras deep feelings of inadequacy the Lord gave her an unquenchable love for others and an irrepressible joy for life Her journey through childhood and her adolescent years is long and the struggles are hard but the end result surprises even Myras bruised and tender heart Based on an inspiring true story Crying in the Morgue Laughing in the Dark is filled with deep emotional truths that speak to the heart of women With real and sympathetic characters the story weaves a picture of Gods tenacious love and the joy that could not be contained in his precious daughter *Laughing in the Dark* Chonda Pierce, 2010-05-11 A refreshingly honest and witty exploration of one woman s journey through depression For many depression is associated with shame and humiliation even a lack of faith But Laughing in the Dark is like getting genuine advice from a kind friend And in her words you ll find hope and renewed confidence that will guide you through your own darkness and into the light If you are currently suffering from depression this book will help you realize you re not alone If you have a loved one dealing with depression this book will help you understand If you are a mental health professional you now have a new tool to encourage your clients Along with the humor Chonda Pierce shares practical insight biblical teaching emotional support and sympathetic concern Whether you ve experienced depression in your own life or in the life of someone you love this friend has something to offer you help hope and believe it or not plenty of laughter Laughing in the Dark Michael McCarty, 2014-06-01 Former stand up comedian Michael McCarty joins humorous forces with comedic horror authors to bring this collection of scary and funny stories It will have you Laughing in the Dark but hopefully you will not die laughing Laughing in the Dark Chonda Pierce, 2016-04-05 Based on the hit movie Chonda and co writer Dale McCleskey Beth Moore Priscilla Shirer dig into one of the Bible s most difficult books Chonda parallels her life and many woman s experiences to Job s struggles and enduring faith Chonda s take on pain loss friends relatives and the nature of God are filled with the truth and humor that Conda s legions of fans have come to expect from one of the most influential Christian women in our era From the introduction Whether you re new to Bible study or you like to read the original Hebrew text for relaxation I hope you will come to value Job like a dear friend Though we cannot answer all the questions Job s story raises I think we can learn a great deal from his experience his story

touches all of us because all people suffer in ways we cannot explain On Job s parentingThe book told how he sacrificed for his children His children would have parties and just live life Meanwhile daddy Job would go make a sacrifice and repent for them he even offered sacrifices for sins they might have committed Suddenly I realized Job was among the worst parents on the planet He never let his kids suffer their own consequences And that s when it hit me Now Job that s where I m exactly like you You are a brother from another mother **The Dark Secret** May Agnes Fleming,1875 The Dark Forest Hugh Walpole,1918 *Laughing in the Dark* Jason E Maddux,2025-10-13 Laughter and fright they are two ends of the emotional spectrum The thirty short stories in this collection will make you laugh or shiver or even both But these aren t your everyday stories Each one contains a speculative element whether horror science fiction or the fantastical Many of the stories prove that terror can be found anywhere a cave a campground or the office Other of the stories prove that humor can be found anywhere and anytime a hotel in the 1980s a strip mall in the 1990s or the far future Humor can even happen when the city where your office resides disappears Maybe it especially happens then **The Dark Tower** Francis Brett Young,1915
