## Law A Very Short Introduction:

**Law** Raymond Wacks, 2023 Law touches every aspect of our daily lives and yet the main concepts terms and processes of the legal system remain obscure to many This Very Short Introduction in its third edition provides a lucid accessible guide to modern legal systems considering a number of social and political events that have had an impact on the law *Law* Raymond Wacks, 2015 Law is at the heart of every society protecting rights imposing duties and establishing a framework for the conduct of almost all social political and economic activity Despite this the law often seems a highly technical perplexing mystery with its antiquated and often impenetrable jargon obsolete procedures and endless stream of complex statutes and legislation In this Very Short Introduction Raymond Wacks introduces the major branches of the law describing what lawyers do and how courts operate and considers the philosophy of law and its pursuit of justice freedom and equality In this second edition Wacks locates the discipline in our contemporary world considering the pressures of globalization and digitalisation and the nature of the law in our culture of threatened security and surveillance ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable The Rule of Law Aziz Z. Huq, Frank and Bernice J Greenberg Professor of Law Aziz Z Huq, 2024 This very short introduction sets out the origins and development of an English language debate centered around the phrase rule of law It aims is to explore the distinctive ethical contribution offered by various thinkers to this specific phrase first theorized by the English scholar A V Dicey while largely setting aside how the same questions are framed and resolved in other traditions The book opens by canvassing the classical and early modern sources upon which Dicey and his successors explicitly drew It then explores the idea of Dicey who it flags as the first self conscious theorist of the rule of law It then recounts his immediate successors These include a heterogenous range of thinkers such as Friedrich Hayek Lon Fuller Ronald Dworkin and Tom Bingham With this genealogy in hand the book then reflects the important question of why the rule of law in some version or other persists that is why do actors with the power to cast aside the rule of law not do so The book next turns to the ways in which the term rule of law has diffused across borders making it a geopolitical phenomenon Specifically the phrase was taken toward the end of the twentieth century across borders by actors as diverse as the World Bank Singapore and the Chinese Communist Party Finally the book closes by examining the way that the rule of law tradition can be challenged both as a matter of theory and practice Philosophy of Law: A Very Short Introduction Raymond Wacks, 2006-05-18 The concept of law lies at the heart of our social and political life shaping the character of our community and underlying issues from racism and abortion to human rights and international war But what actually is law A set of naturally occurring moral principles or simply rules agreed by a particular society What is a right and what rights should people actually have Is law really colour blind and gender blind Can the law

truly tell us whether gay marriages are immoral what's wrong with racism or whether we should go to war Revealing the intriguing and challenging nature of legal philosophy with clarity and enthusiasm Raymond Wacks explores the notion of law and its role in our lives Referring to key thinkers from Aristotle to Rawls Bentham Dworkin H L A Hart and Derrida he looks at the central questions behind legal theory that have fascinated lawyers and philosophers and anyone who ever wondered about law's relation to justice morality and democracy ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**American Legal History** G. Edward White, 2013-11-21 This Very Short Introduction demonstrates the pivotal role of law in American life Chapters focus on the legal history of Indian tribes slavery property rights the relationship of law to entrepreneurial activity crime and punishment domestic relations civil injuries and tort law as well as legal education and the legal profession

**International Law** Vaughan Lowe, 2015-11-26 Interest in international law has increased greatly over the past decade largely because of its central place in discussions such as the Iraq War and Guantanamo the World Trade Organisation the anti capitalist movement the Kyoto Convention on climate change and the apparent failure of the international system to deal with the situations in Palestine and Darfur and the plights of refugees and illegal immigrants around the world This Very Short Introduction explains what international law is what its role in international society is and how it operates Vaughan Lowe examines what international law can and cannot do and what it is and what it isn't doing to make the world a better place Focussing on the problems the world faces Lowe uses terrorism environmental change poverty and international violence to demonstrate the theories and practice of international law and how the principles can be used for international co operation

**Human Rights: A Very Short Introduction** Andrew Clapham, 2007-06-28 Today it is usually not long before a problem gets expressed as a human rights issue An appeal to human rights in the face of injustice can be a heartfelt and morally justified demand for some while for others it remains merely an empty slogan Taking an international perspective and focusing on highly topical issues such as torture arbitrary detention privacy health and discrimination this Very Short Introduction will help readers to understand for themselves the controversies and complexities behind this vitally relevant issue Looking at the philosophical justification for rights the historical origins of human rights and how they are formed in law Andrew Clapham explains what our human rights actually are what they might be and where the human rights movement is heading ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**Islamic Law** Mashood A. Baderin, 2021-02-25 Very Short Introductions Brilliant Sharp Inspiring Islamic law is one of the major legal systems in the

world today yet it is often misunderstood particularly in the West It is applicable in different forms as part of state law in countries across the Middle East Asia and Africa and also has a strong influence on Muslim communities throughout the Western world This Very Short Introduction provides an authoritative perspective on the evolution and nature of Islamic law Mashood A Baderin considers its theory covering the history and nature of Islamic jurisprudence its scope covering Family Law Inheritance Law Financial Law Penal Law and International Law and finally its practice He takes into account both classical and modern scholarly perspectives in examining the various facets of Islamic law to provide an overview of this key legal system ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**European Union Law: A Very Short Introduction** Anthony Arnall, 2017-05-18 The European Union is rarely out of the news and as it deals with the consequences of the Brexit vote and struggles to emerge from the eurozone crisis it faces difficult questions about its future In this debate the law has a central role to play whether the issue be the governance of the eurozone the internal market clawing back powers from Europe or reducing so called Brussels red tape In this Very Short Introduction Anthony Arnall looks at the laws and legal system of the European Union including EU courts and discusses the range of issues that the European Union has been given the power to regulate such as the free movement of goods and people He considers why an organisation based on international treaties has proved capable of having far reaching effects on both its Member States and on countries that lie beyond its borders and discusses how its law and legal system have proved remarkably effective in ensuring that Member States respect the commitments they made when they signed the Treaties Answering some of the key questions surrounding EU law such as what exactly it is about and how it has become part of the legal DNA of its Member States so much more effectively than other treaty based regimes Arnall considers the future for the European Union ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The Common Law: a Very Short Introduction Joshua Getzler, 2016-05-01 The common law began as England's national system of adjudication for correcting wrongs protecting rights and enforcing due administration of government in the Royal courts Its origins can be traced back to 11th century England and was soon exported to the rest of Britain and ultimately to the far flung reaches of the British Empire The common law has therefore enjoyed nearly a thousand years of development and elaboration in many lands influenced by but separate from the systems of continental Europe with its own distinctive procedures of pleading fact finding and remedies It developed laws that govern much of today's world of trade business and finance it defended ideas of personal liberty and

equality before the law and it helped establish principles of constitutional legally limited government and administration. Thus the common law provides an original and crucial strand in the history of social organization politics and culture around the world. In this Very Short Introduction Joseph Getzler explains the evolution of the common law. The main institutions of the common law are described: courts, procedures, judges and juries, and means of reporting, analysing and learning the law, and the main categories of common law rights and duties are delineated: property, contract and tort, equitable claims, unjust enrichment, crime, constitutional and public law, and civil liberties.

**Medical Law: A Very Short Introduction** Charles Foster, 2013-02-28. Medical law is concerned with our bodies and what happens to them during and after our lives. When things go wrong with our bodies, we want to know what our rights are and what governs the conduct of the clinicians into whose hands we put our lives and limbs. Dealing with matters of life and death, it can therefore have a fundamental impact on medical practice. Headlines in the media often involve the core issues of medical law: organ transplantation, abortion, withdrawal of treatment, euthanasia, confidentiality, research on humans; these are topics that affect us all. Headlines can misrepresent, however. In order to fully understand the issues and their relevance, we have to delve into the cases and into the principles behind them. In this highly readable Very Short Introduction, Charles Foster explores different examples to illustrate the key problems and principles of medical law.

**ABOUT THE SERIES** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**In Defense of Free Speech in Universities** Amy T.Y. Lai, 2023-09-26. In this book, Amy Lai examines the current free speech crisis in Western universities. She studies the origin, history, and importance of freedom of speech in the university setting and addresses the relevance and pitfalls of political correctness and microaggressions on campuses where laws on harassment, discrimination, and hate speech are already in place, along with other concepts that have gained currency in the free speech debate, including deplatforming, trigger warnings, and safe spaces. Looking at numerous free speech disputes in the United Kingdom, the United States, and Canada, the book argues for the equal application of the free speech principle to all expressions to facilitate respectful debates. All in all, it affirms that the right to free expression is a natural right essential to the pursuit of truth, democratic governance, and self-development, and this right is nowhere more important than in the university.

**Environmental Law: A Very Short Introduction** Elizabeth Fisher, 2017-10-19. Environmental law is the law concerned with environmental problems. It is a vast area of law that operates from the local to the global, involving a range of different legal and regulatory techniques. In theory, environmental protection is a no-brainer. Few people would actively argue for pollution or environmental destruction. Ensuring a clean environment is ethically desirable and also sensible from a purely self-interested perspective. Yet in practice, environmental law is a messy and complex business fraught with conflict. Whilst environmental law is often characterized in

overly simplistic terms with a law being seen as be a magic wand that solves an environmental problem the reality is that creating and maintaining a body of laws to address and avoid problems is not easy and involves legislators courts regulators and communities This Very Short Introduction provides an overview of the main features of environmental law and discusses how environmental law deals with multiple interests socio political conflicts and the limits of knowledge about the environment Showing how interdependent societies across the world have developed robust and legitimate bodies of law to address environmental problems Elizabeth Fisher discusses some of the major issues involved in environmental law s nation statehood power the reframing role of law the need to ensure real environmental improvements and environmental justice As Fisher explains environmental law is and will always be necessary but inherently controversial ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**The Modernization of the Western World** John McGrath,Kathleen Callanan Martin,2017-11-06 The Modernization of the Western World presents an overview of the history of Western civilization and provides readers with the intellectual tools they need to comprehend how societies function and change Covering Western history from ancient history to the current era of globalization it draws on the tradition of historical sociology to describe the forces of social change and what they have meant to the lives of the people caught in the midst of them This second edition is revised throughout to bring the content up to date with recent developments and discusses key themes such as terrorism refugees the European Union and multinational corporations It also includes a new chapter on the Ancient World covering this era from the advent of urbanization and agriculture in the Middle East to the fall of Rome and emergence of Christianity providing valuable historical context Clear and concise this book succinctly illustrates the essential turning points in the history of Western society and identifies the economic social political and cultural forces that are transforming the wider world to this day Illustrated with maps and images and containing a glossary and new boxed features explaining key concepts this is the perfect introductory book for students of the development of Western civilization

**Privacy** Raymond Wacks,2015-03-26 Some would argue that scarcely a day passes without a new assault on our privacy In the wake of the whistle blower Edward Snowden s revelations about the extent of surveillance conducted by the security services in the United States Britain and elsewhere concerns about individual privacy have significantly increased The Internet generates risks unimagined even twenty years ago to the security and integrity of information in all its forms The manner in which information is collected stored exchanged and used has changed forever and with it the character of the threats to individual privacy The scale of accessible private data generated by the phenomenal growth of blogs social media and other contrivances of our information age pose disturbing threats to our privacy And the hunger for gossip continues to fuel sensationalist media that frequently degrade the notion of a private

domain to which we reasonably lay claim In the new edition of this Very Short Introduction Raymond Wacks looks at all aspects of privacy to include numerous recent changes and considers how this fundamental value might be reconciled with competing interests such as security and freedom of expression

**ABOUT THE SERIES** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**Comparative Law** Sabrina Ragone, Guido Smorto, 2024 In this Very Short Introduction Sabrina Ragone and Guido Smorto explore the objectives methods and uses of comparative law Following an overview of the fundamental definitions key concepts and basic lexicon of the discipline Ragone and Smorto analyse the most successful techniques adopted for mapping the world's legal systems and for explaining legal change and diffusion of law also providing a concise description of the major legal traditions of the world They examine the alternative methodologies employed for comparative inquiries explaining how these choices contribute to the assessment of differences and similarities Finally the authors discuss the practical uses of comparative law in both law making and adjudication

**Couture Fashion Law** Tomruk Üstünkaya, 2025-05-06 This book provides an insight into the legal workings of the most ostentatious fashion sector Couture whilst simultaneously advocating for stronger legal protection in this industry Offering an interdisciplinary approach including art theory from Tolstoy and Rand amongst others the book examines where Couture fashion sits within the law Most significantly the book considers the couturier as an artist and Couture as art in relation to how this art form may be protected legally by copyright Reflecting on contemporary issues it analyses recent legal cases together with legislation to provide awareness on the current position and considers implications for the future by suggesting legal frameworks in pursuit of improvements Using U K law as a case study the book also comparatively assesses global fashion law analysing the legal workings in the E U and the U S The book will be of interest to researchers in the field of fashion law copyright law art and intellectual property

**Family Law** Jonathan Herring, 2014 What is a family What makes someone a parent What rights should children have In this Very Short Introduction Jonathan Herring provides an insight not only into what the law is but why it is the way it is The book also looks at the future to consider what families will look like in the years ahead and what new dilemmas the courts may face

**Death, Religion and Law** Peter Hutton, Ravi Mahajan, Allan Kellehear, 2019-11-01 This practical guide summarizes the principles of working with dying patients and their families as influenced by the commoner world religions and secular philosophies It also outlines the main legal requirements to be followed by those who care for the dying following the death of the patient The first part of the book provides a reflective introduction to the general influences of world religions on matters to do with dying death and grief It considers the sometimes conflicting relationships between ethics religion culture and personal philosophies and how these differences impact on individual cases of dying death and loss The second part describes the general customs and beliefs of the major

religions that are encountered in hospitals hospices care homes and home care settings It also includes discussion of non religious spirituality humanism agnosticism and atheism The final part outlines key socio legal aspects of death across the UK Death Religion and Law provides key knowledge discussion and reflection for dealing with the diversity of the everyday care of dying and death in different religious secular and cultural contexts It is an important reference for practitioners working with dying patients their families and the bereaved      **The Law Quarterly Review** ,1889

## Law A Very Short Introduction Introduction

In the digital age, access to information has become easier than ever before. The ability to download Law A Very Short Introduction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Law A Very Short Introduction has opened up a world of possibilities. Downloading Law A Very Short Introduction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Law A Very Short Introduction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Law A Very Short Introduction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Law A Very Short Introduction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Law A Very Short Introduction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Law A Very Short

Introduction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Law A Very Short Introduction Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Law A Very Short Introduction is one of the best book in our library for free trial. We provide copy of Law A Very Short Introduction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Law A Very Short Introduction. Where to download Law A Very Short Introduction online for free? Are you looking for Law A Very Short Introduction PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Law A Very Short Introduction. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Law A Very Short Introduction are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or

categories, brands or niches related with Law A Very Short Introduction. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Law A Very Short Introduction To get started finding Law A Very Short Introduction, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Law A Very Short Introduction So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Law A Very Short Introduction. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Law A Very Short Introduction, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Law A Very Short Introduction is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Law A Very Short Introduction is universally compatible with any devices to read.
