Augustine, Steven N. Zwicker, 2015-04-23 John Wilmot second Earl of Rochester 1647-1680 the notorious and brilliant libertine poet of King Charles II's court has long been considered an embodiment of the Restoration era This interdisciplinary collection of essays by leading scholars focuses new attention on and brings fresh perspectives to the writings of Lord Rochester Particular consideration is given to the political force and social identity of Rochester's work to the world's courtly and theatrical urban and suburban from which Rochester's poetry emerged and which it discloses and not least to the unsettling aesthetic power of Rochester's writing The singularity of Rochester's voice his matchless wit has been widely recognised this book encourages the continued appreciation of all the ways in which Rochester reveals the layered and promiscuous character of literary projects throughout the whole of a brilliant abrasive and miscellaneous age **The Saturday Review of Politics, Literature, Science, Art, and Finance**, 1927 *The Review of Reviews* William Thomas Stead, 1925 **The Saturday Review of Politics, Literature, Science and Art**, 1927 **Black Music & Jazz Review**, 1979 *The Fascist Experience* Edward R. Tannenbaum, 1972

Tannenbaum attempts to reconstruct the social context of Fascism's rise by rediscovering the perspective of the Italians who actually experienced it as a patriotic anti Communist movement of national social renewal His sources include Mussolini's correspondence previously unpublished reports by the party and police officials which records public opinion in the provinces the popular press radio newsreels commercial films postcard art songs letters and textbooks Publisher's note **The Birth Control Review** Margaret Sanger, 1926 The Post-Zombie C. Wylie Lenz,,Angela Tenga,Kyle William Bishop, 2025-05-21 The living dead have come a long way from the shambling corpses depicted by George A Romero While traditional zombie monsters continue to flourish thanks in part to the ongoing popularity of The Walking Dead universe the global community now features reanimated zombies resurrected zombies protagonist zombies robotic zombies romantic zombies fake zombies zombie adjacent monsters and post zombie zombies This collection of scholarly essays considers recent and contemporary examples of zombies in fiction literature popular culture and politics from around the world and makes the case that because of the evolution of the undead the zombie remains an important allegorical feature of horror fiction satire and ideological perspectives **Becoming** Kavita Mudan Finn,EJ Nielsen, 2019-08-06 The NBC series Hannibal has garnered both critical and fan acclaim for its cinematic qualities its complex characters and its innovative reworking of Thomas Harris's mythology so well known from Jonathan Demme's Silence of the Lambs 1991 and its variants The series concluded late in 2015 after three seasons despite widespread fan support for its continuation While there is a healthy body of scholarship on Harris's novels and Demme's film adaptation little critical attention has been paid to this newest iteration of the character and narrative Hannibal builds on the serial killer narratives of popular procedurals while taking them in a drastically different direction Like critically acclaimed series such as Breaking Bad and The Sopranos it makes its viewers complicit in the actions of a deeply problematic individual and in the case of Hannibal forces them to confront that complicity through the character of Will Graham The essays in Becoming explore these questions of authorship and audience response as well as the show's themes of horror gore cannibalism queerness and transformation Contributors also address Hannibal's distinctive visual auditory and narrative style Concluding with a compelling interview with series writer Nick Antosca this volume will both entertain and educate scholars and fans of Hannibal and its many iterations The Literary Digest International Book Review Clifford Smyth, 1925 American Management Review , 1923 **The Literary Digest International Book Review** , 1926 Book Review Digest , 1924 **Review of Reviews and World's Work** Albert Shaw, 1931 Literary Digest International Book Review Clifford Smyth, 1926
