Their books emerged from Western lineages of the modern novel and popular genre fiction with Chinese contributions and depended on Western commercial publishing models shaped by cultural, national, political and economic factors. This work examines more than a hundred China mysteries many describing and analyzing social and economic changes at the center of modern life in China to provide a brief history of the genre and analyze the formulaic and original elements of the mysteries including their attention to matters of location, social content, characterization, history and biography. With its timely commentary on Sino-Western relations as presented through crime fiction, *China Mysteries* will appeal to students and scholars of contemporary Chinese literature and culture as well as fans of crime novels and others who are curious about the global dimensions of the genre and how it complicates our understanding of world literature.

Poets and Murder Robert van Gulik, 2010-11-15. Judge Dee, master detective of seventh century China, sets out to solve a puzzling double murder and discovers complex passions lurking beneath academia. A mild-mannered student is rumored to have been slain by a fox demon while a young dancer meets her death as she dresses to perform for the magistrate's illustrious dinner guests. An obese Zen monk revered for his calligraphy, a beautiful poetess accused of murder and the past president of the imperial academy. To connect the present crimes with betrayals and adulteries from decades past, the clever Judge Dee must visit a high-class brothel and the haunted shrine of the Black Fox.
