Murdoch's World The Last Of The Old Media Empires:

Murdoch's World David Folkenflik, 2013-10-22 Rupert Murdoch is the most significant media tycoon the English speaking world has ever known No one before him has trafficked in media influence across those nations so effectively nor has anyone else so singularly redefined the culture of news and the rules of journalism In a stretch spanning six decades he built News Corp from a small paper in Adelaide Australia into a multimedia empire capable of challenging national broadcasters rolling governments and swatting aside commercial rivals Then over two years a series of scandals threatened to unravel his entire creation Murdoch's defenders questioned how much he could have known about the bribery and phone hacking undertaken by his journalists in London But to an exceptional degree News Corp was an institution cast in the image of a single man The company's culture was deeply rooted in an Australian buccaneering spirit a brawling British populism and an outsized American libertarian sensibility at least when it suited Murdoch's interests David Folkenflik the media correspondent for NPR News explains how the man behind Britain's take no prisoners tabloids who reinvigorated Roger Ailes by backing his vision for Fox News who gave a new swagger to the New York Post and a new style to the Wall Street Journal survived the scandals and the true cost of this survival He summarily ended his marriage alienated much of his family and split his corporation asunder to protect the source of his vast wealth on the one side and the source of his identity on the other There were moments when the global news chief panicked But as long as Rupert Murdoch remains the person at the top Murdoch's World will be making news

Media Spectacle and Insurrection, 2011 Douglas Kellner, 2012-11-02 Douglas Kellner elaborates upon his well known theory which explores how media spectacle can be used as a key to interpreting contemporary culture and politics Grounded in both cultural and communication theory Kellner argues that politics war news and information media events like terrorist attacks or royal weddings and now democratic uprisings are

currently organized around media spectacles and demonstrates how and why this has occurred Rooting the discussions within key events of 2011 including the war in Libya the Arab Uprisings the wedding of William Windsor to Kate Middleton the killing of Osama bin Laden and the Occupy movements Media Spectacle and Insurrection 2011 makes a highly relevant contribution to the field of media and communication studies It offers a fresh perspective on the theme of contemporary media spectacle and politics by adopting an approach that is based around critical social and cultural theory This series gives students a strong critical grounding from which to examine new media Murdoch's Pirates Neil Chenoweth,2012-11-01 What happens when one of the biggest media groups in the world sets up its own private security force What happens when part of this operation goes rogue News of the World is not the first Murdoch company to be accused of skulduggery Murdoch s Pirates is about the dark deeds of a secret division of News Corp based in Jerusalem operating in a combustible world of ambitious ex Scotland Yard men and former French and Israeli secret service agents who have one thing in common they have all left their previous employment under controversial circumstances NDS produces smart cards for use by pay TV operators this is a fiercely competitive field and one of the ways you get business is to demonstrate that the smart cards produced by your rivals can be easily pirated Unless you are very careful sometimes those pirated versions make their way out into the real world where they can really damage your competitors businesses Murdoch s Pirates reads like a thriller set in the arcane world of hackers and pirates There are mysterious deaths break ins and wild chases Some of the individuals involved may well be amongst the brightest minds on the planet but sometimes their rivalry can get out of hand and their impulsive behaviour can defy logic Chenoweth recounts this clandestine war with his customary lucidity drollery and brio

Rupert Murdoch Neil Chenoweth,2002 If you want to understand how modern media has changed the world this is the one book you must read Rupert Murdoch is the man everyone talks about but no one knows He s everywhere a larger than life media titan who has spent a lifetime building his company News Corporation from a small struggling newspaper business in Australia into an international media powerhouse Rupert Murdoch charts the real story behind the rise of News Corp and the Fox network the secret debt crises and family deals the huge cash flows through the offshore archipelagos the New York party that saved his empire the covert government inquiries the tax investigations and the bewildering duels with Bill Gates Ted Turner Gerry Levin Ron Perelman Newt Gingrich cable king John Malone Michael Eisner Tony Blair and televangelist turned diamond miner Pat Robertson Murdoch s story however is more than just how one man built a global business Rupert Murdoch is both a biography of Murdoch the man including the divorce from his wife Anna his remarriage to a woman young enough to be his granddaughter and the struggle between his two sons for eventual control of the family holdings and a follow the money investigation that reveals how he has managed to have such a huge impact on the communications

revolution that promises to utterly transform life in the twenty first century The investigation concentrates on Murdoch s three great campaigns in the 1980s when his determination to launch an American television network overturned the media industries of three countries in 1997 when Murdoch took on every broadcasting group in America and the process of reinventing himself since then culminating in his bid to win DirecTV from General Motors This is the saga of the man who has stalked infuriated cajoled threatened and spooked the media industry for three decades whose titanic gambles have shaped and reshaped the media landscape Win or lose Murdoch is the man who has changed everything And Neil Chenoweth is the right person to tell the story In 1990 he wrote a magazine article that prompted a secret Australian government inquiry into Rupert Murdoch s family companies and he s been on the Murdoch case since then Chenoweth reveals what no person ever has about the man and the company who is probably the most significant media player of them all **Business India** ,2002
