Would I Really Marry My Cat?! K.D. Stewart, 2017-06-30 Could it be that our delusions of the perfect life expose disillusion with our perfect God K D Stewart poses that and other thought provoking questions in Would I Really Marry My Cat a fresh and compelling look at trusting God when His sovereignty confronts our self focused ambition hopes and hurts A raw and sometimes ridiculous exploration of faith Would I Really Marry My Cat probes this simple yet profound truth Life as a Christ follower is not always a charmed life It is a strategically designed intentionally lived testimony of God's trustworthiness regardless of one's circumstances K D long dreamed of becoming a wife and a mom One night her prince finally came He looked at her with kind devoted eyes and said Marry me And she gleefully accepted his proposal even though she knew he was a cat It was easy for her to look past the whiskers and the tail What mattered most was for the first time in a long time she experienced satisfaction deep within her heart Then K D woke up and the morning light exposed something dark deep within her soul disappointment in God and discontentment with the life He had given her Out of this season of struggle K D has drawn a series of stories reflections and prayers that will
