

To the Purchaser

Thank you for buying a John Deere Bicycle. Because we want you to be satisfied with your purchase, we have written this operator's manual to help you keep your bicycle in top running condition. In this way, you'll have more fun and fewer problems.

Before riding your new bicycle, read this manual. Pay particular attention to the safety precautions throughout the manual.

⚠ This safety alert symbol identifies important safety messages in this manual. When you see this symbol, be alert to the possibility of personal injury and read carefully the message that follows.

Check and observe all state and local regulations pertaining to bicycle operation. Respect the rights of

pedestrians and motor vehicles. Don't spoil a fine sport for others.

Right-hand (R.H.) and left-hand (L.H.) references used in this manual are determined by standing at the rear of the bicycle and facing the direction of forward travel.

When in need of parts or major service, see your John Deere Dealer. Be prepared to give him your bicycle serial number.

Your bicycle serial number is stamped on the underneath side of the crank housing. Record this serial number on page 25 to aid in finding your bicycle if it is stolen and to assist you in securing proper parts for service.
