**Music in Range** Brian Fauteux, 2015-11-02 Music in Range explores the history of Canadian campus radio highlighting the factors that have shaped its close relationship with local music and culture The book traces how campus radio practitioners have expanded stations from campus borders to surrounding musical and cultural communities by acquiring FM licenses and establishing community based mandates The culture of a campus station extends beyond its studio and into the wider community where it is connected to the local music scene within its broadcast range The book examines campus stations and local music in Vancouver Winnipeg and Sackville NB and highlights the ways that campus stations through music based programming their operational practices and the culture under which they operate produce alternative methods and values for circulating local and independent Canadian artists at a time when ubiquitous commercial media outlets do exactly the opposite Music in Range sheds light on a radio sector that is an integral component of Canada's musical and cultural fabric and positions campus radio as a worthy site of attention at a time when connectivity and sharing between musicians music fans and cultural intermediaries are increasingly shaping our experience of music radio and sound

**The Mass Media in Canada** Mary Vipond, 2011-03-25 Canada has one of the most advanced mass media systems in the world which allows Canadians more access to American culture via television the movies and the Internet than ever before At the same time governments support the production and distribution of Canadian content to Canadians In this fully updated fourth edition Mary Vipond traces the rise of the traditional mass media in Canada explores the new media and discusses the influence of old mass media on new media Clearly written and persuasively argued The Mass Media in Canada

demonstrates the huge challenges government face today in trying to influence media content and considers the troubling questions of who decides what we read watch and hear *Journalism in Crisis* Mike Gasher, Colette Brin, Christine Crowther, Gretchen King, Errol Salamon, Simon Thibault, 2016-01-01 *Journalism in Crisis* addresses the concerns of scholars activists and journalists committed to Canadian journalism as a democratic institution and as a set of democratic practices The authors look within Canada and abroad for solutions for balancing the Canadian media ecology Public policies have been central to the creation and shaping of Canada's media system and rather than wait for new technologies or economic models the contributors offer concrete recommendations for how public policies can foster journalism that can support democratic life in twenty first century Canada Their work which includes new theoretical perspectives and valuable discussions of journalism practices in public private and community media should be read by professional and citizen journalists academics media activists policy makers and media audiences concerned about the future of democratic journalism in Canada

Education for Democracy 2.0, 2021-01-04 Winner of the 2022 AESA Critics Choice Book Award Winner of the 2022 Society of Professors of Education Outstanding Book Award This diverse and global collection of scholars educators and activists presents a panorama of perspectives on media education and democracy in a digital age Drawing upon projects in both the formal and non formal education spheres the authors contribute towards conceptualizing developing cultivating building and elaborating a more respectful robust and critically engaged democracy Given the challenges our world faces it may seem that small projects programs and initiatives offer just a salve to broader social and political dynamics but these are the types of contestatory spaces openings and initiatives that enable participatory democracy This book provides a space for experimentation and dialogue and a platform for projects and initiatives that challenge or supplement the learning offered by traditional forms of education The Foreword is written by Divina Frau Meigs Sorbonne Nouvelle Paris and the Postscript by Roberto Apirici and David Garc a Mar n UNED Madrid Contributors are Roberto Aparici Adelina Calvo Salvador Paul R Carr Colin Chasi Sandra L Cuervo Sanchez Laura D Olimpio Milena Droumeva Elia Fern ndez Diaz Ellen Field Michael Forsman Divina Frau Meigs Aquilina Fueyo Guti rrez David Garc a Mar n Tania Goitandia Moore Jos Guti rrez P rez Ignacio Haya Salm n Bruno Salvador Hern ndez Levi Michael Hoechsmann Jennifer Jenson Maria Korpijaakko Sirkku Kotilainen Emil Marmol Mar a Dolores Olvera Lobo Tania Ouariachi Mari Pienim ki Anna Renfors Ylva Rodney Gumede Carlos Rodr guez Hoyos Mar Rodr guez Romero Tafadzwa Rugoho Juha Suoranta Gina Th s e Robyn M Tierney Robert C Williams and Mar a Luisa Zorrilla Abascal The Media Gaze Augie Fleras, 2011-09-15 While Canada is known for its official commitment to diversity a close look at our media reveals that though they frequently promote superficial representations of difference they actually play a pivotal role in producing and reproducing the values structures and priorities of a predominantly straight white male society The Media Gaze exposes how newscasters advertisers filmmakers and television programmers attempt to co opt audiences into believing that media depictions entail neither prejudice nor perspective In truth the experiences of those who fall outside

of the media's preferred populations are actively ignored or misrepresented. In this timely audit of the Canadian mainstream media, sociologist Augie Fleras draws on compelling case studies to explore the societal implications of the industry's hidden bias. He also examines alternative forms of media and media literacy to present readers with tools to challenge the dominant agenda.

*The Concise Encyclopedia of Communication* Wolfgang Donsbach, 2015-05-04. This concise volume presents key concepts and entries from the twelve volume ICA International Encyclopedia of Communication 2008, condensing leading scholarship into a practical and valuable single volume. Based on the definitive twelve volume IEC, this new concise edition presents key concepts and the most relevant headwords of communication science in an A-Z format in an up-to-date manner. Jointly published with the International Communication Association (ICA), the leading academic association of the discipline in the world, it represents the best and most up-to-date international research in this dynamic and interdisciplinary field.

Contributions come from hundreds of authors who represent excellence in their respective fields. An affordable volume available in print or online.

**Journal of Intergroup Relations**, 2004. Mass Communication in Canada Rowland Lorimer, Mike Gasher, David Skinner, 2007. *Mass Communication in Canada* examines the past, present, and future of mass communication and its effects on society.

**For Sale to the Highest Bidder** Marita Moll, Leslie Regan Shade, 2008.

**Principles of Sociology** James E. Curtis, Lorne Tepperman, 2006. A brief version of Lorne Tepperman's and James Curtis' *Sociology: Canadian Perspectives*, this text introduces students to the study of sociology through an overview of sociological theories and research methods and a discussion of how these are applied to the study of major social processes and institutions. A team of contributors explain key concepts and theories by examining Canadian society within a global context.

**Canadian Books in Print**, 2003. *From Hobbits to Hollywood* Ernest Mathijs, Murray Pomerance, 2006. Peter Jackson's film version of *The Lord of the Rings* (2001-2003) is the grandest achievement of 21st-century cinema so far. But it is also linked to topical and social concerns including war, terrorism, and cultural imperialism. Its style, symbols, narrative, and structure seem always already linked to politics, cultural definition, problems of cinematic style, and the elemental mythologies that most profoundly capture our imaginations. *From Hobbits to Hollywood: Essays on Peter Jackson's Lord of the Rings* treats Jackson's trilogy as having two conditions of existence: an aesthetic and a political. Like other cultural artefacts, it leads a double life as object d'art and public statement about the world so that nothing in it is ever just cinematically beautiful or tasteful and nothing is ever just a message or an opinion. Written by leading scholars in the study of cinema and culture, *From Hobbits to Hollywood* gives Jackson's trilogy the fullest scholarly interrogation to date. Ranging from interpretations of *The Lord of the Rings*' ideological and philosophical implications through discussions of its changing fandoms and its incorporation into the Hollywood industry of stars, technology, genre, and merchandising to considerations of CGI effects, acting, architecture, and style, the essays contained here open a new vista of criticism and light for ardent fans of J.R.R. Tolkien, followers of Jackson, and all those who yearn for a deeper appreciation of cinema and its relation to culture.

**Feminist**

**Interventions in International Communication** Katharine Sarikakis, Leslie Regan Shade, 2008 This cutting edge work critiques today's global mediascape through feminist perspectives highlighting concerns of policy power labor and technology Starting with the general state of international communications the book uses feminist political economic and policy analyses to explore the globalization of media industries including questions about women's employment and media content that is globally produced and consumed A top notch group of authors covers cases on online news pornography and explicit material political participation and democracy policies for women's development violence against women labor practices and information workers print media and publishing public telecentres media coverage of HIV AIDS and more Providing fresh feminist insights into international communication this essential book shows the important strides taken toward women's justice in these areas and how far there is yet to go **Material Culture Review**, 2008

*Jahresbibliographie Massenkommunikation*, 2003 **Medien** Hans-Bredow-Institut, 2004 Television Anthony Smith, Richard Paterson, 1998 From its earliest beginnings television was destined to become one of the great new forces at work in the twentieth century This new edition which includes six completely new chapters greatly expands the original and unique historical coverage of this most influential cultural phenomenon Written by a distinguished international team of specialists the book describes the history of television from its technical conception in the nineteenth century right through to the bewildering multi media developments of the present Alongside this historical account chapters provide important discussion of the central debates affecting television world wide from America Canada and Britain to Europe Scandinavia Japan China South Asia the Arab world Australia Africa and the Third World All genres of programme making news sport drama comedy are examined in the light of key questions how viewing practices affect particular societies how standards of taste and decency are arrived at the influence of television of government power the role of public service broadcasting and the relationship of television to terrorism and violence A thought provoking Epilogue ponders the likely impact and influence of television in the coming years This book is accessibly written and is a major exploration of the world's most dominant medium QUOTES FROM THE FIRST EDITION Those who wish to take a close look at the way television has affected the lives of people in other countries as well as their own will find all the information they need here a work which will earn its keep in the reference libraries but also merits a place on the bookshelves of individuals THES For those desiring to fully understand the medium that has dominated the later twentieth century The Business of Film What a terrific assembly of contributors to document an international story of television so many outstanding features in this book an important addition to documenting the global story of television in a single volume Journalism History **Repère**, 2009

## **Mediascapes New Patterns In Canadian Communication Introduction**

In today's digital age, the availability of Mediascapes New Patterns In Canadian Communication books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mediascapes New Patterns In Canadian Communication books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mediascapes New Patterns In Canadian Communication books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mediascapes New Patterns In Canadian Communication versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mediascapes New Patterns In Canadian Communication books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mediascapes New Patterns In Canadian Communication books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mediascapes New Patterns In Canadian Communication books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mediascapes New Patterns In Canadian Communication books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mediascapes New Patterns In Canadian Communication books and manuals for download and embark on your journey of knowledge?
