

---EXAMPLE MEDICAL OPINION LETTER---

September 6, 2006

To Whom It May Concern:

I have been asked to evaluate the veteran and provide a professional medical opinion as to whether or not his back condition is directly related, or could be related to military service.

I have reviewed the veteran's claims file.

On "date" I evaluated the veteran for "condition" and my results are as follows.

"Results and Diagnosis" Looking for Range of Motion, pain during ROM and any additional limitations or eventful findings.

I believe Mr. "Viet's" condition is "just as likely as not" or "directly related to his military service as a "Infantryman" or "injury sustained".

(if applicable have Dr. note they are the veterans treating physician)

Sincerely,
