*The Warlord's Legacy* Ari Marmell, 2017-01-16 If death is the only true peace then there can be only one true peacemaker the Terror In the land of Imphallion one legend is remembered with horror the Terror of the East Twice his shadow has fallen across the land First to conquer it Then to save it Both times he brought blood and death as his companions And both times he faded into bleak memory Years later memories are all Corvis Rebaine has left The most painful of which is the memory of his beloved wife and children fleeing from him in horror after they learned of his terrible legacy War has cost him more than his life and he wants no more of it But what Rebaine no longer matters Because the Terror has returned A merciless killer seemingly clad in the Terror's old battle dress and wielding his demon forged axe is sweeping across the land slaughtering all in his path And worse an old enemy has returned to claim revenge aided by a woman whose very soul is consumed with rage and hatred towards Rebaine his own daughter Now Rebaine must again wear the dreaded dark armor if he is going to save Imphallion as well as all he holds dear But after so much war so much blood and so much pain can he summon the strength to truly become the Terror once more The sequel to *The Conqueror's Shadow* fills a vital niche in the fantasy adventurer genre one occupied by the heroes of Michael Moorcock's Elric Melnibon novels and C S Friedman's Coldfire Trilogy Library Journal All a reader could ever ask for in a bloody hack and slash sword and sorcery Grasping for the Wind Another thoroughly entertaining offering from Ari Marmell and one that any fantasy fan will have a lot of fun with Graeme's Fantasy Book Review The text of this edition is unchanged from that of the Del Rey edition      **The Conqueror's Shadow** Ari Marmell, 2010-02-23 They called him the Terror of the East Hidden beneath a suit of enchanted black armor and wielding a demon forged axe Corvis Rebaine carved a bloody path through Imphallion compelled by a desire to see the land governed with some degree of honesty Yet just when victory was in his grasp Rebaine faltered then vanished taking a single hostage a young noblewoman named Tyannon to guarantee his escape Seventeen years later Rebaine and Tyannon are married and raising their children Rebaine has given up his dreams of conquest Not even news of the upstart warlord Audriss can stir the retired warrior to action until his daughter is assaulted by Audriss's goons Now to rescue the country he once tried to conquer Rebaine once more dons the armor of the Terror of the East But does he dare reawaken the part of him that gloried in destruction With the safety of his family at stake can he dare not to      *Cold Flood* R. J. Corgan, 2017-10-17 For geologist Kea Wright when a volcano erupts under an ice cap it isn't just a good time it's a living Camped at the base of an icecap in southeast Iceland Kea and her team are investigating landforms created by catastrophic floods With only days left in the field season bad weather on the way and the volcano due to erupt at any time the team is struck by a tragedy that threatens to shut down the entire project As the team rushes to complete their work the expedition continues to be plagued by setbacks leading Kea to wonder if the initial tragedy was an accident after all During her reluctant and inept attempts to investigate Kea inadvertently stumbles upon a secret One so valuable someone is willing to kill to keep it hidden      **The Oxford Book**
