crimes in 1596 when Shakespeare penned these words and this is certainly the case in more recent times as Unsolved Murders in South Yorkshire clearly demonstrate The early chapters include cases of historic interest where killers certainly went to the grave in the knowledge they had got away with murder Cases include suspicious deaths which left detectives in South Yorkshire baffled but which were it would seem acts of callous murder which were not recognised as such due to dubious police opinions and practices There are also cases of clear murder such as a man shot in the head during the Victorian period whose killer was never identified The later chapters however feature more recent cold cases where there is still the possibility that the wicked men or women who were responsible for such acts of inhumanity may remain within our society Cases include a man murdered for less than 70 in a city centre multi storey car park a teenage girl abducted sexually assaulted and left dead on a dung hill a young mother who entered prostitution and died at the hands of a man with more than sex on his mind a pregnant woman who left home one day to go shopping but was found days later dead in a ditch with her throat cut and a disabled woman who was strangled in her home which was then set ablaze For some of these cases there is the chance that someone has information which despite the passage of decades could lead to one or more individuals standing trial for murder Justice can still prevail Canadian Who's Who 2009 Elizabeth Lumley,2008-12-04 Now in its ninety ninth year of publication this standard Canadian reference source contains the most comprehensive and authoritative biographical information on notable living Canadians Those listed are carefully selected because of the positions they hold in Canadian society or because of the contribution they have made to life in Canada The volume is updated annually to ensure accuracy and 600 new entries are added each year to keep current with developing trends and issues in Canadian society Included are outstanding Canadians from all walks of life politics media academia business sports and the arts from every area of human activity Each entry details birth date and place education family career history memberships creative works honours and awards and full addresses Indispensable to researchers students media business government and schools Canadian Who s Who is an invaluable source of general knowledge **Cop Knowledge** Christopher P.
