Must Love Highlanders English Edition:

Highland Hope Julie Johnstone, 2021-09-28 Sometimes the one you love is the very one you cannot have Lady Eve Sotherby dreams of escaping her horrid life in England yet she has nowhere to run So when she spies a posting for a companion in the Highlands she seizes the chance to disappear She s heard tales about the barbaric Highlanders of course but no one can be worse than the beast she once foolishly agreed to wed And never mind that she doesn t meet any of the requirements for the position must have no family must love the cold and must know the healing arts Her depraved relations hardly qualify as family she ll wear a shawl and how hard can it be to learn medicinal ways Laird Royce MacLeod rules the fiercest clan in the Highlands with an iron fist but his two children are another matter Since the death of his wife they ve grown quite unruly Too busy with his clan duties to tend to them himself he needs someone with both a spine of steel and a kind heart to subdue them What he does not need or want is to get entangled with a woman who desires anything related to soft emotions from him So when a mysterious woman appears at his holding showing the sort of mettle he requires he takes her on despite her two major flaws she s English and she s beautiful Soon Eve finds herself yearning for the one thing her past prevents her from ever having the honorable but brooding Highlander And the Scot who was certain he desired only order and obedience cannot explain the undeniable pull to the chaos and warmth Eve brings to his home But the more they deny their feelings the more impossible they become to resist and when enemies and secrets threaten Eve and Royce may only survive by surrendering to true love If only it s not too late

Johnstone,2016-03-22 A need to belong drives her A longing to forget compels him Fate may send them into each other's arms but only love can mend their hearts An Outlander Raised by a tyrannical father Marion de Lacy yearns for the comfort of belonging to a loving family So when her father announces her betrothal to an evil knight in exchange for his help to overthrow the king she concocts a desperate scheme to avoid the marriage feigning her own death and then fleeing England But when her plan goes terribly awry and she's captured by the knight not even her careful preparations could ready her for the Scottish barbarian who rescues her and then informs her that he's to marry her by edict of her king Certain her father will defy the king's orders and wed her to the knight if she refuses the Highlander's hand Marion agrees to marry the strangely compelling but obstinate laird of the MacLeod clan A Highlander After the death of his beloved wife Iain MacLeod has no desire to marry ever again Yet when he finds himself obliged to do so to secure the freedom of his childhood friend and king he reluctantly travels across England to collect his unwanted bride expecting to find a cold Englishwoman Instead he discovers a fiery bold beauty who is fiercely loyal protective of those she loves and defies him at every turn challenging his certainty that his heart is dead Ensnared Following a hasty marriage and perilous journey to Scotland Marion harbors no illusions that her new husband loves her Still her heart cannot resist the noble brave warrior and she cannot suppress the hope that she has finally found where she belongs However the harder she tries to fit in with the clan and gain Iain's love the farther away her dreams drift Iain is more than willing to give his respect to his courageous wife her kisses and caresses even ignite his blood and demand his passion but he refuses to give up his heart That is until enemies near and far threaten to take Marion from him Now the demons that haunt him can only be conquered by surrendering body and soul to Marion if only it's not too late WHEN A LAIRD LOVES A LADY by Julie Johnstone is the first book in the Highlander Vows Entangled Hearts series and I cannot wait for the second instalment With beautiful imagery the author transports the reader to a whole new world Both Marion and Iain are meaningful and emotional characters who I became deeply invested in I could not put this book down With plenty of danger excitement and passionate encounters WHEN A LAIRD LOVES A LADY by Julie Johnstone has got it all and I now have a new favourite author Fresh Fiction
