**My Conversion Journey with Christian Cardinal Tumi** Martin Jumbam, 2014-12-03 Faith conversion experiences are first of all personal before being universal While biblical history records relatively few conversion encounters as dramatic and as explosive as Saint Paul's on the road to Damascus it is not rare for individuals in the throes of a religious conversion to fall prey to intensely agonizing confusion That is what happened to Martin Jumbam when he marched for peace in his country alongside the charismatic and irrepressible Emeritus Archbishop of Douala in Cameroon Christian Cardinal Tumi He joined the prelate as a secular journalist but went back home more than ever conscious of his state as a fallen Christian the first step in his journey of faith Since then all his writing be it secular or religious now bears the fruits of that encounter characterized by intense empathy for the human person This book recounts the myriad ways Jumbam's encounters with Christian Cardinal Tumi have activated nourished and inspired his faith

**From the Highlands of Nkar to the World** Martin Jumbam, 2023-03-01 In his memoir From the Highlands of Nkar to the World Martin Jumbam sets out on an adventure which leads him from the cosy domesticity of life in his village of Nkar under the patronage of his parents fervently strict Catholic Christians to what is practically a terra incognita the unknown the unfamiliar world that first opens up to him when

he follows his elder brother a Catholic teacher to Nkambe far from his native Nkar village This becomes the first of an adventure that will eventually see him drift further and further away from his native village out into the beckoning wide world a journey of nearly half a century during which he frequents university amphitheatres in Cameroon Europe the United States of America and Canada Deciding not to settle in any of these countries thus rejecting the glamour of life abroad he finally returns to his native Cameroon an already married man and father of a family

**Beads of Memory** Martin Jumbam ,2020-10-30 In the wake of General Franco s demise a Cameroonian student Leinteng Basha arrives in Madrid He soon befriends two other African students Bassey Okoro from Nigeria and a drifter from Equatorial Guinea Jesus Ndongo Together they navigate as best as they can through the challenges of loneliness homesickness and especially the indifference if not outright hostility of their host country Leinteng keeps a diary in which he details in simple straightforward but captivating prose the travails and joys of his days in the Spanish capital Through the diarist s sharp eye for detail the reader is irresistibly drawn into the labyrinth of life as lived by an African student in post Franco Spain

**Conversion** Malcolm Muggeridge,2005-02-18 From the book What is a conversion The question is like asking What is falling in love There is no standard procedure no fixed time No Damascus Road experience has been vouchsafed me I have just stumbled on like Bunyan s Pilgrim falling into the Slough of Despond locked up in Doubting Castle terrified at passing through the Valley of the Shadow of Death from time to time by God s mercy relieved of my burden of sin but only alas soon to acquire it again From my earliest years there was something going on inside me other than vague aspirations to make a name for myself and a stir in the world something that led me to feel myself a stranger among strangers in a strange land whose true habitat was elsewhere another destiny whose realization would swallow up time into Eternity transform flesh into spirit knowledge into faith and reveal in transcendental terms what our earthly life truly signifies In November 1982 Malcolm Muggeridge was received into the Roman Catholic Church an event which attracted much attention and curiosity To Malcolm Muggeridge it signified a sense of homecoming of picking up the threads of a lost life Malcolm Muggeridge well known around the world in the latter part of the twentieth century as a journalist writer and media figure is still remembered as a vociferous unbeliever for a great part of his career But always he had had an awareness that another dimension existed that there was a destiny beyond the devices and desires of the ego and that earthly life could not be the end This book first published in 1988 and the last of his writing to be published in his lifetime is a personal statement of the history and development of his religious beliefs An important section relates to Mother Teresa of Calcutta latterly beatified and with expectations to becoming a Saint Her influence was perhaps the most powerful force leading this deeply thinking man to God and to the Roman Catholic Church He describes also the effect upon him of meetings with Alexander Solzhenitsyn a man whom he considers to be one of the greatest prophets of our time with a profound spiritual message for our turbulent world This moving testimony is not about the mechanics of becoming a Roman Catholic Rather it is about a series of happenings occasions of enlightenment that led

one spiritually troubled man to find God It is a statement of belief which will fascinate all who are interested in the workings of the human mind and will inspire all who seek the Truth      **Conversion** Muggeri,1996      Famous Conversions Hugh Thomson Kerr,John M. Mulder,1994 A collection of fifty first person conversion accounts spanning Christian history from the Apostle Paul to St Augustine to Malcolm Muggeridge and Charles Colson The selections intended to be representative rather than exhaustive are each prefaced with brief comment by the editors      *Chosen* Donna Steichen,2009 The twenty three men and women who tell their conversion stories in these pages were not drawn to the Church by sound evangelization programs beautiful buildings and liturgies or saintly witnesses among the clergy On the contrary many of them were attracted to Catholicism in spite of a now decades long stretch of deficient catechesis mediocre Masses and uninspiring leadership Christ himself led these souls to his Church concludes editor Donna Steichen who compiled this consoling collection and it is the Lord who set them to work replanting his devastated vineyard Despite their marked differences in origin education and field of service writes Steichen each one makes it clear that it is Christ who did the choosing They testify that Christ touched their hearts and intervened in their lives in unexpected sometimes even miraculous ways These conversions in the midst of the post Vatican II crisis of faith seem particularly pure and often entertainingly improbable bearing testimony to the central truth That the Church is not a man made institution but a divine one ndash a perpetual repository of truth and grace so powerful that not even the darkness of scandal can overshadow it from the Foreword by George Neumayr editor of Catholic World Report      **Steps of Grace** Doug Gonzales,2010-11 Steps of Grace is the story of former Evangelical Protestant Pastor Doug Gonzales whose faith journey led him from the most extreme and militant anti Catholic views in American society today to becoming one of the Church s newest champions Doug s conversion like that of St Paul did not come from any desire on his part for something more than what he already believed was true Instead it was purely an initiative of divine grace While Steps of Grace describes the theological and intellectual wrestling common to conversion stories it does so in the most uncommon of ways Besides witnessing to what are perhaps some of the most remarkable mystical experiences in a modern conversion story Doug shares with the reader his own struggles fears pain and loss With brutal honesty Steps of Grace is one of the most human and emotionally raw of conversion stories Steps of Grace describes the beauty and truth of the Catholic faith with such clarity that those on their own journey of conversion will be led to ask the same question Doug did Why didn t I see it before Cradle Catholics may ask this same question as the story helps them to see and experience the wonder and beauty of their faith in a fresh way More than anything else Steps of Grace is about following and fulfilling our deepest of human longings finding the Presence of God This makes Steps of Grace perhaps less a conversion story and more a love story that illustrates how a person s love and need for the Presence of God led him to the last place he thought he would ever find it the Real Presence of Christ in the Holy Eucharist This is not a walk in the park but a walk of faith led by grace step by step Doug Gonzales is a former Church of the Nazarene Pastor whose testimony of conversion to Catholicism has moved and

challenged audiences across the world A graduate of The Divinity School at Duke University Doug spent nearly ten years as an Evangelical pastor and prison chaplain until his miraculous and amazing conversion to the Roman Catholic Church Besides being a guest twice on EWTN's The Journey Home show Doug has traveled the U S Canada and Latin America sharing his conversion story to large conferences seminarians parishes and even small prayer groups captivating audiences about the wonder and grace he has found in the Catholic faith Doug's story continues to impact those who hear it in a way that few other modern conversion stories can do Doug is also the proud father of three wonderful children **A Life of**

Mulder, 1987 *From the Hub to the Heart* Andrew LaVallee, Leticia Velasquez, 2015-02-11 This book tells the story of what happened when a movie star known for his portrayal of Jesus Christ in The Passion of the Christ Jim Caviezel looked into this successful man's eyes one day and challenged him just as Christ challenged the rich young man He dared Andy to visit Medjugorje an obscure

poor village in Croatia where for over thirty years it has been alleged that the Virgin Mary has been visiting earth and calling her children to live lives of prayer penance and fasting Andy's first reaction was predictable No way am I flying fifteen hours to pray a Rosary But little by little Our Lady's call to Andy opened his heart and he boarded that plane prayed that Rosary and his life has never been the same Reviews The past decade of Andy LaVallee's life shows the power of Men's Conferences the impact of good Catholic friendships the help of the Blessed Mother to draw near to Christ Jesus the power of fasting and the positive impact of Catholic social teaching in the workplace We are fortunate in the Archdiocese of Boston to have leaders such as Andy LaVallee who actively reach out to invite others to experience the joy of living as a disciple within the Catholic community Cardinal Sean O'Malley Archdiocese of Boston In 1994 Saint John Paul II wrote The whole of the Christian life is like a great pilgrimage to the house of the Father whose unconditional love for every human creature we discover anew each day That is the pilgrimage that Andrew LaVallee took and journeyed through In this pilgrimage we each can experience the fullness of our conversion when the new life of faith from within intersects with the old world from without For Andrew LaVallee writing and publishing this journey is yet a testimony of his desire to reach the fullness of his conversion not only for himself but to share its grace with others May God's Name be glorified and many people be inspired by this conversion pilgrimage and journey deeper into their own conversion through this book Mother Olga of the Sacred Heart Mother Servant and Foundress of Daughters of Mary of Nazareth
