

But my brother shakes his head slowly,  
staring at me with familiar honey-colored  
eyes. Shade was always the handsome  
one, and death has not changed.

My Different Shades of Black Nicolle Golding, 2021-12-09 My Different Shades of Black The Beginning is the introduction of a three part fictional trilogy It sets an extensive foundation for an astonishing adventure As readers journey through this fantastic voyage they learn early on that this story has several dimensions The book is about an African princess named Anyalla who travels through time Leaping from one body to the next she experiences life from a remarkable lens At a very tender age and learning on the go She becomes a student in the school of life Her first leap almost kills her but her last leap became the most historical event of the century As a former president of the United States Anyalla Kaiko Mugabe tells the story of her triumphant years How an ancient tribal princess from Zimbabwe transforms into the first female black president of the United States The Queen of the south gave up her throne and went on to become one of the most influential women that ever lived Her eight year reign as president was not only a monumental elevation for mankind but the decisions that she makes in this significant place of power changed the entire world as we know it The missing key is only revealed in book three My different Shades of Black The Color of Purpose However book one sets the tone for an unbelievable and extraordinary ride Due to her humble beginnings as a warrior princess her innate ability to fight for what is right surfaced every time she was faced with adversity She never gave up on life love or people Overcoming trauma became her strong suit and God gave her the strength she needed to keep going when times got hard As she repeatedly discovers that love is truly the cure for all things her superpowers are distinctively revealed over time Embracing the spiritual aspects made each voyage unique with breath taking pivotal moments My Different Shades of Black True Colors Book 2 Coming soon

**Different Shades Of Love...** Jaya Mishra, 2020-12-13 I never expected myself to become a writer neither I was an avid reader But one thing that triggered me to write this book was my disposition towards sexuality when I was in the first year of my graduation So I decided to explore more about this unexplored arena unaware of the fact that I was entering the grey shade that existed in the world centuries ago but hardly people talked about it Even now too most people avoid talking about sexuality Well the more I probed into this the deeper I dived into it I came across many factors that I thought to put into words and let the world know about the darker side of this arena called sexuality So what now you are holding in your hand is something not filled with several colors but it definitely has some shades And I urge you not to judge the characters without keeping yourself in their shoes This book will take you to the world which you might have heard about it but have not observed it yet Remember Love is love and it needs not any validation about your attributes or your professed sexuality
