Marine Biology Ch 2 Somerset Academy:

Research with Arctic Inuit Communities Tristan Pearce, 2021-08-26 This book shares graduate student experiences lessons and life learnings from research with Inuit communities in the Canadian Arctic The results of graduate student research are often disseminated in a thesis or dissertation but their personal experiences building relationships with Inuit working together to design and conduct research and how this shaped their research approach and outcomes are rarely captured As such there are limited resources available to new researchers that share information about the practical aspects of community based research in the Arctic The book is intended to provide a glimpse into what it is like to do research together with Inuit and in doing so contribute to the development of more productive and equitable relationships between Inuit and researchers The chapters are written as structured narratives in the first person and include reflections and lessons learned *EPA-430/1* ,1979-05 **Water Quality Instructional Resources Information System (IRIS)** ,1979 **Final Environmental Statement** United States.
