planet and profit are affected by unsustainable practices before exploring four specific biblical practices and their relationship with sustainability Covenants the sabbatical year monastic communities and the fruit of the spirit It also discusses the creation account and personalistic nature texts considering the social relationship that humans have with nature Finally it examines an Augustinian perspective on sustainability which encourages sharing common ownership of property and living simply The book concludes by inviting governments civil society organizations and academia to bring these biblical practices and passages into the ecological debate It is an outstanding resource for researchers of the Bible and environment and Religion and environment more generally

Drunk in the Spirit Merrill G. Greene, 2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one's own cherished stories

Jehovah's Witnesses George D.
