And whether he's wreaking havoc on a class trip or swallowing his house key, Joey's problems are getting worse. In fact, his behavior is so off the wall that his teachers are threatening to send him to the special ed center downtown. Joey knows he's really a good kid, but no matter how hard he tries to do the right thing, something always seems to go wrong. Will he ever get anything right? Joey Pigza Swallowed the Key Lit Link Gr. 4-6 Jack Gantos, 2009-07-02 Joey Pigza is not an ordinary kid as he suffers from behavioral problems caused by attention deficit hyperactivity disorder, commonly known as ADD. The Common Core Approach to Building Literacy in Boys Liz Knowles, Martha Smith, 2014-05-27 Written with a focus on the English Language Arts Common Core Standards, this book provides a complete plan for developing a literacy program that focuses on boys, pre-K through grade 12. Despite the fact that reading and literacy among boys has been an area of concern for years, this issue remains unresolved today. Additionally, the emphasis and focus have changed due to the implementation of the English Language Arts Common Core Standards. How can educators best encourage male students to read, and what new technologies and techniques can serve this objective? The Common Core Approach to Building Literacy in Boys is an essential resource and reference for teachers, librarians, and parents seeking to encourage reading in boys from preschool to 12th grade. Providing a wide array of useful, up-to-date information that emphasizes the English Language Arts Common Core Standards, the bibliographies and descriptions of effective strategies in this book will enable you to boost reading interest and performance in boys. The chapters cover 16 different topics of interest to boys, all accompanied by a complete bibliography for each subject area. Discussion questions, writing connections, and annotated new and classic nonfiction titles. Information on specific magazines, annotated professional titles, books made into film, websites, and apps that will help you get boys interested in reading is also included. Are They Really Reading? Jodi Crum Marshall, 2002 All too often, the poorest readers learn that if they keep quiet during sustained silent reading (SSR), they're doing okay. No reading required. This is especially true in middle school where class sizes are large and instructional emphasis is on content rather than reading. In Are They Really Reading? Jodi Crum Marshall discusses how to find out if your students are using SSR time wisely and what to do about it if they're not. Her book describes how to support middle-grade readers who need it the most while embracing a research-proven need to increase independent self-selected reading time for students. Jodi shares lessons and anecdotes from her classroom and from her experience as a reading specialist implementing her model schoolwide. She expands the traditional concepts of SSR to include read-alouds, writing, and accountability to

scaffold struggling middle grade students Bolstered by these additional supports Jodi s students dramatically increased their interest and ability in reading through a program they named Supporting Student Literacy SSL Classroom teachers will appreciate the clear direction on how and why to implement an SSR program Administrators will appreciate the guidance for establishing a schoolwide literacy block that substantially improves student motivation and learning Are They Really Reading answers the following important questions Why should I start an SSR program How do I build a classroom library Where do I get funding for books and other materials How do I prepare the students for SSR How do I motivate students to read What is the role of the teacher How do I assess SSR If you don t currently use a sustained silent reading program this book will help you get started on the right track If you worry that some of your students aren t really reading during SSR or if you want to enhance your program here is a roadmap that is instructionally sound and flexible enough to fit your students needs
