

The cover art is divided into three horizontal sections. The top section features a close-up of a man's face, likely Maigret, with a pipe in his mouth, set against a dark, moody background. The middle section shows a street scene in a town with several people, including a woman in a red shirt, a man in a dark suit, and a man in a green cap. The bottom section is a solid dark blue background with white text.

Le Docteur Maigret:

Maigret's World Murielle Wenger, Stephen Trussel, 2017-08-07 Georges Simenon's 75 novels and 28 short stories that feature Chief Inspector Jules Maigret provide us with a great deal of information about the French police detective but only in small episodic doses. As readers become acquainted with Maigret one detail at a time he slowly takes on a flesh and bone realism not merely a character in a story but someone we would like to meet in real life. This book presents all the canonical facts and details about the detective and his world in one place presented with tabulations and analyses that enable a better understanding of the works and of Maigret himself. *Simenon* Stanley G. His obsession with women and his major friendships Jean Renoir Charlie Chaplin Thornton Wilder and others are detailed. Also critical evaluations of his fiction including the largely ignored pulp fiction. Simenon's relationship to popular traditions literature detective fiction high literature and the critics are offered.
