December 12th 2012

Pastor Isaiah Hillman awakens as the miraculous hand of God encircles many children in rainbows of light The children are blessed healed and commanded by the Holy Spirit to prepare the world for The New Day

Five of the children are members of Pastor Hillman s congregation and he soon finds himself facing opposition from

his family the news media and evil forces that will do anything in their power to stop The Miracle Children from fulfilling God's New Beginning for the world

*Bible Lessons for Kids* Mary Warner, 2015-04-29 Our Bible Fun Factory Lesson Plans are the essentials The lessons that every single Christian child between 4-12 needs to be taught The Major Prophets are often skipped in children's lessons Jeremiah and Isaiah don't include any stories and the words of the prophets can be sad even frightening Hence this set of five lessons covers rare passages and makes them appealing to children Isaiah is covered in Lessons 1-2 offering special insights on good fears bad fears fear of the Lord and what that means He also speaks great words about heaven which will give children a sense that every story on earth can have a happy ending Jeremiah and his words of judgment let kids see in Lesson 3 that even in the darkest of times God's light shines brighter Ezekiel's captivity is sad but he experiences incredibly beautiful visions which teaches that bad things can be the foundation for incredibly good things Finally the famous story of the prophet Daniel in the lion's den shows God's strength and gives kids confidence

Lessons Include Lesson 1 Prophet Isaiah and Fears Lesson 2 Prophet Isaiah and Gladness Lesson 3 Prophet Jeremiah and Judgment Lesson 4 Prophet Ezekiel and Visions of Hope Lesson 5 Prophet Daniel and the Lion We have 3 core beliefs when we create Bible Lesson Plans 1 They should be EASY for the teacher to teach 2 They should be FUN for the child 3 They should actually TEACH the child bedrock principles of the Christian Faith and the Bible Each of the Lessons Include Materials List Don't worry nearly everything can be gathered up at a moment's notice from your own house For example you might need to grab a big spoon Complete Lesson Including our much loved teaching script that tells you exactly what to say Scripture Reading we put the scripture reading in the lesson to make it easy 2 Games Kids LOVE games each game teaches an important element of the overall lesson and lets the kids get up out of their seat and move around Typically one game is geared to young children 4-7 and another for the 8-12 year olds 2 Intro Activities These activities get the kids engaged in the lesson and help to fill the time as kids trickle in 2 Lesson Activities These activities vary from object lessons crafts treasure hunts and more Closing Prayer Our closing prayers are each designed to leave the kids with a positive message and reminder of the lesson Class Length The lessons are designed to run for one hour but can easily be expanded to cover more time if needed Age Level The lessons include age appropriate activities discussion and questions for children ages 4-12 Equally effective with mixed age groups or single age classes Prep Time Each lesson was designed to be taught after only 5-10 minutes of prep time You don't need to go around collecting craft materials or spending an hour before class getting organized You can literally glance go Denomination Our lessons can be used by churches of all denominations as the topics covered are truly the foundation of Christian faith In addition any Bible translation can be used

*Think and Believe* Frederick W. Marks, 2012 A coherent forceful and compelling case for God and the Church founded by Jesus of Nazareth This is a remarkable achievement of solid factual information that is loaded with ammunition for the new evangelization Contains colorful vignettes of historic moments alternating with sustained argument Marks challenges the reader to set aside long

held assumptions and prejudices Jesus is the only one who proclaimed himself sinless and the only one who ever claimed to be God His followers converted an entire empire without resort to violence and after winning Rome they not only gave the world its calendar but transformed pagan culture beyond recognition These hard cold facts are presented here with copious notes for easy identification of persons events or doctrines that may be unfamiliar The reader will also find a detailed index and useful appendices
