Ukrainian Canadians, Multiculturalism, and Separatism: An Assessment Canadian Institute of Ukrainian Studies, 1978 No description *L'éducation multiculturelle dans la formation des enseignants au Canada* Donatille Mujawamariya, 2006 Cet ouvrage collectif présente des perspectives différentes et actuelles sur la préparation l'éducation multiculturelle dans les programmes de formation initiale des maîtres au Canada La variété des textes réunis dans cet ouvrage tente d'offrir une image plurielle des points de vue sur une problématique qui pose des défis au niveau du système d'éducation avec des implications moyen et long terme sur l'ensemble de la société Malgré le caractère apparemment eclectique de ce collectif un thème majeur se dégage Il s'agit de l'articulation entre l'importance perçue de la préparation l'éducation multiculturelle des futurs enseignants et le degré de son implantation dans les programmes de formation initiale des maîtres peterlang com

The Ties that Bind John Erik Fossum, 2009 Modern states and novel multinational polities such as the European Union have to contend with greater degrees and more complex forms of diversity What elements keep complex post national political entities together What are the ties that bind people together in a world where they cannot rely on the safety of established national identifications if they ever could This collection of essays by leading political scientists philosophers and legal academics from Canada and Europe provides a transatlantic dialogue on the ways in which complex states such as Canada and non states the EU may broach the modes of difference and diversity that confront them Authors engage in insightful diagnoses of contemporary forms and modes of diversity as well as critical appraisals of a number of normative responses meant to answer these challenges These responses range from reasonable accommodation and multinationalism to cosmopolitanism They include the recognition of post national multinational or deterritorialised democracy and constitutional patriotism as well as plural or denationalised citizenship *France multiculturelle et citoyenneté au XXI^e siècle* Henri Georges Minyem, 2022-12-07 la fin de la II^e guerre mondiale la France entama sa reconstruction et fit appel massivement aux populations africaines ce fut la période dite des trente glorieuses Puis dans les années 1970 cette population se sédentarisa au point de constituer une frange importante de sa composante sociologique La nouvelle donne multiculturelle de la France a engendré une cohabitation de multiples parfois antagonistes une superposition d'imaginaires disjoints parfois en opposition avec le récit historique officiel Comment ces groupes sociaux se perçoivent ils au quotidien dans une société devenue multiculturelle Quel équilibre entre communautés juive arabe noire en France Existe t il un refoul colonial subliminal Quelle politique transgère en Afrique Cet ouvrage raconte l'histoire de la France avec ses ex colonies dans leur nouvelle coexistence
