Mme De Maintenon Et Louis XIV:

The Secret Wife of Louis XIV Veronica Buckley, 2010-08-31 Fran oise d Aubign marquise de Maintenon and secret wife of the Sun King Louis XIV was born in a bleak French prison in 1635 her father a condemned traitor and murderer her mother the warden s seduced daughter A timely pardon and a hopeful Caribbean colonial venture failed to mend the family s fortunes and Fran oise was reduced to begging in the streets Yet armed with beauty intellect and shrewd judgment she was to make her way to the center of power at Versailles the most opulent and ambitious court in all Europe At fifteen she was married off to the forty two year old satirical poet Paul Scarron a former rou now grievously deformed by rheumatism a sort of human Z as he described himself Despite his ailments Scarron presided over the liveliest and most scandalous literary salon in Paris and Fran oise quickly became its most prized ornament After Scarron s death she enjoyed a merry widowhood in the fashionable Marais district in the company of the courtesan Ninon de Lenclos and the King s splendid mistress Ath na s de Montespan who made the young widow governess to her brood of illegitimate children The appointment transformed Fran oise s life but was fatal to the temperamental Ath na s herself with the King soon turning his attentions to the graceful governess Fran oise was raised to the nobility as Madame de Maintenon and unofficially Madame de Maintenant the lady of the moment The acclaimed biographer Veronica Buckley traces the extraordinary story of Fran oise s progress from pauper child to salonnire to the compromised position of Louis s secret wife and uncrowned Queen An absolute ruler Louis turned away his many other mistresses to live with Fran oise only trusting her as his closest confidante and remaining in love with her for forty years Sparkling with the irresistible wit of contemporary chroniclers such as Madame de S vign this exactly researched biography is a pinnacle of the form In vibrant colors *The Secret Wife of Louis XIV* paints a portrait of Europe in an age of violent change and the Sun King s France in the process of becoming its modern self *Madame de Maintenon* Charlotte Haldane, 1970 The biographer in search of Mme de Maintenon s true personality inevitably turns first of all to her own correspondence And there the enigma of this extraordinary woman immediately reveals itself For although she wrote thousands of letters between the ages of fifteen and eighty four she burned almost the whole of her correspondence with Louis XIV In consequence no direct evidence remains regarding her relationship with him either before or after their marriage The fact that this did take place however is generally accepted Few if any women have played so important a part behind the scenes in their country s history The only time Mme de Maintenon emerged from this political seclusion was during the War of the Spanish Succession when Louis XIV was using correspondence with the Princesse des Ursin as an ancillary channel of communication with the Spanish Court independently of his official representatives there Until well into the nineteenth century Mme de Maintenon was regarded as an unsympathetic figure The libels propagated by Saint Simon and the Duchesse d Orl ans in her lifetime were further enhanced by the forgeries of her correspondence by La Beaumelle which were only exposed in 1865 by the scholarly researches of Lavall e My aim has been neither to strengthen the case of

Fran oise de Maintenon s hagiographers nor of her slanderers but to present my readers with the facts as far as they are ascertainable and leave them to judge for themselves I hope that they will agree with me that she was neither a saint nor a devil but one of the most remarkable women in European history preface **Queen of Versailles** Mark Bryant,2020-10-22
