Momentous Events In Iran Notes On Ezra Nehemiah And Esther:

Momentous Events in Iran Moody Roberts, 2014-11-11 This is a book of expository notes on the three books in the Old Testament Ezra Nehemiah and Esther All three are written in a setting in ancient Persia Since Persian is today Iran the notes are made using Iran as the setting It is historical but it is also meant to be inspirational to the modern Christian life and Biblical Prophecy You will see God at work in restoring the Jewish people from the Babylonian Captivity back to their homeland in Judah Nehemiah is a great example of leadership You will be amazed at the providence of God in staging a beauty contest for the king s wife which enables her to save her people from destruction by the wicked Anti Semite It is also thrilling to see the conclusion of Israel restored in her land and back in the favor of God leading to the reign of our returning Jesus Christ

The Elamite World Javier Álvarez-Mon, Gian Pietro Basello, Yasmina Wicks, 2018-01-29 Amongst the civilizations to participate in the dynamic processes of contact and interchange that gave rise to complex societies in the ancient Near East Elam has remained one of the most obscure at times languishing in the background of scholarly inquiry In recent years however an increasing body of academic publications have acknowledged its relevance and suggested that its legacy was more considerable and long lasting than previously estimated The Elamite World assembles a group of 40 international scholars to contribute their expertise to the production of a solid lavishly illustrated English language treatment of Elamite civilization It covers topics such as its physical setting historical development languages and people material culture art science religion and society as well as the legacy of Elam in the Persian empire and its presence in the modern world This comprehensive and ambitious survey seeks for Elam hardly a household name a noteworthy place in our shared cultural heritage It will be both a valuable introductory text for a general audience and a definitive reference source for students and academics
