Mixed My Life In Black And White:

Mixed Angela Nissel, 2007-12-18 Tell anyone who asks that you're half black and half white just like David Hasselhoff from Knight Rider Angela's mother Love has no color insist Angela Nissel's parents but does it have a clue In this candid funny and poignant memoir Angela recounts growing up biracial in Philadelphia moving back and forth between black inner city schools and white prep schools where her racial ambiguity and doomed attempts to blend in dog her teen years Once in college Angela experiments with black activism hoping to find clarity in extremism capitalizes on her exotic look at a strip club and ends up with a major case of the blues aka a racial identity problem Yet Angela is never down for the count After moving to Los Angeles she discovers that being multiracial is anything but simple especially in terms of dating and romance By turns a comedy of errors and a moving coming of age chronicle *Mixed* traces one woman's unforgettable journey to self acceptance and belonging Praise for *Mixed* *Mixed* is a hilarious must read for anyone searching for the enchanting path to self discovery Angela Nissel's precise account of living the mixed race experience not only hit home with me but the journey is deliciously enlightening and heart rending at the same time It's a journey well worth taking Halle Berry I love Angela Nissel's writing Reading *Mixed* was like getting a letter from a best friend I forgot I had How ironic that a book written by someone who felt like no one got her will surely be one of those rare books everyone gets black white both neither Hilarious sweet and honest *Mixed* is the perfect read if you've ever felt like the one standing on the outside and let's face it who hasn't Jill Soloway author of *Tiny Ladies in Shiny Pants* If David Sedaris was a straight biracial female this is the book he'd write This book is so funny I've already started telling people I helped Angela write it Bill Lawrence creator of *Scrubs* Nissel is humorous poignant and proud yet also empathetic and generous as she recounts her constant struggle to answer the perennial question persons of mixed race seem required to ask of themselves in our society where do I fit in All readers stand to learn from her account Booklist Colorful anecdotes marvelous dialogue and a thoughtful narrative make this memoir a delight Kirkus Reviews starred review
