AN EQUILIBRIUM OF ECONOMICS & POLITICS Yagnesh Harshadray Dave, Economics is a cycle in which all citizens give their contribution to build up the nation Some people provide money some people provide brain power and rest people provide hard work In this way all types of people should get the benefit of improvement of economics but due to politics a rich person who provides their money receives most of the benefits of improvement of economics Rest benefits are divided between a person who provides their brain power and hard work But here more benefit is taken by a person who provides brain power thus no benefit and no improvement of that class who provide their hard work
