

“A Modest Proposal” Essay

Jonathan Swift writes a satirical passage to criticize the England government on their lack of participation in helping the hungry citizens during the years of drought they are experiencing. In his overly exaggerated proposal, he uses an abundance of features of style, voice, and organization to express his point he is trying to make through satire.

Swift's choices on the variety of different features of style he uses were decided upon the fact that this passage is purely satirical. In paragraphs 20-26, Swift uses mature diction to express his standing with the England government. Paragraph 20 says, “I think the advantages of the proposal which I have made are obvious and many, as well as of the highest importance.” Here he is claiming that this proposal is very important, and that the government should agree with him.

He writes like he is well educated on the ideas he is proposing. In essence, this is a legitimate proposal to the government, so his choice in words have to sound sophisticated. As his subject is about ingesting children, it clearly makes sense for him to use a refined vocabulary. If he would use his vocabulary loosely, the exaggeration and satire in the passage would not be as obvious.

A blunt voice is in use during the passage. Swift approaches his point immediately to present the urgency of the problem he is addressing. England is experiencing drought, which is a serious issue that he feels could be resolved by selling, killing and eating children.

In paragraph 25 he states, “Fifthly, this food would likewise bring great custom to taverns, where the vintners will certainly be so prudent as to procure the best receipts for dressing it to perfection...” He straight up tells us that children will make great food. There is no other way to express this point and get the same effect unless it is done bluntly. He wants the government to recognize their absence in the current issue, and being straight-forward with each point he makes guides the reader to believe that the passage is purely satirical, but that there is an underlying meaning with his satire.

The organization of the essay was very structured. It is clear that he thoroughly thought out each of his ideas, and he presented them in a strategic way to make his point. In paragraph 21 he says, “For first, as I have already observed, it would greatly lessen the number of papists, with whom we are yearly overrun, being the principal breeders of the nation as well as our most dangerous enemies; and who stay at home on purpose to deliver the kingdom of the Pretender, hoping to take their advantage by the absence of so many food Protestants, who have chosen rather to leave their country than stay at home and pay tithes against their conscience to an Episcopal curate.”

Modest Proposal Examples Satire Essay

Laurie G. Kirschner, Stephen R. Mandell

Modest Proposal Examples Satire Essay:

A Modest Proposal by Jonathan Swift Jonathan Swift, 2025-03-22 A Modest Proposal is a satirical essay written by the renowned Irish author and social commentator Jonathan Swift published in 1729 This provocative piece has become one of Swift's most famous works and is often hailed as a masterstroke of satire Through razor sharp wit and scathing humor Swift addresses the dire social and economic conditions in 18th century Ireland urging readers to reflect critically on issues of poverty oppression and moral responsibility At first glance Swift's proposal appears straightforward yet shocking he suggests that impoverished Irish families should sell their children as food to wealthy diners as a means to solve both their economic woes and the problem of overpopulation This idea outrageous and macabre serves a greater purpose to draw attention to the neglect and exploitation of the Irish people by the English ruling class Swift's biting irony invites readers to consider the inhumanity of viewing the poor merely as a problem to be managed rather than as human beings deserving of dignity and respect Swift employs a logical and calculated style in presenting his proposal which makes the absurdity of his suggestion all the more striking By framing his arguments in a businesslike tone he mimics the detached rationalism often employed in economic discussions of the time He outlines the advantages of his proposal with calculated precision discussing the economic benefits and even providing calculations to illustrate how much a child could be worth on the market This chilling juxtaposition of cold logic and horrific content forces readers to confront their discomfort and reflect on the larger socio political issues at play Through the course of the essay Swift meticulously critiques both the British government and wealthy landlords who exploit the Irish population He highlights the systemic neglect faced by the impoverished depicting these individuals as victims of a callous socio economic environment The absurdity of his proposal serves as a powerful indictment of the dehumanizing attitudes that allow such injustices to persist unchecked Swift's satirical lens reveals how the ruling class discusses and treats the poor ultimately prompting readers to question their complicity in societal problems Swift's use of irony amplifies the impact of his arguments For instance he suggests that poor families should treat their children as commodities yet he concurrently exposes the inherent absurdity in viewing human life through an economic lens His extreme proposition compels readers to grapple with the underlying truths about societal neglect and moral apathy Rather than offering a genuine solution Swift's essay demands that readers confront the immorality of maintaining the status quo challenging them to reflect on what it means to be humane in the face of suffering The title itself A Modest Proposal serves as a significant element of the satire The word modest is deliberately ironic juxtaposing the outrageousness of the proposal with a tone that suggests reasonableness and practicality This contrast prepares readers for the shocking content amplifying the impact of the message Swift's choice of language reinforces the satirical nature of the work as he articulates his ideas with a veneer of civility which ultimately highlights the grotesque nature of his proposition Throughout the essay Swift also employs vivid imagery and detailed descriptions which contribute to its emotional and psychological impact By painting a

stark picture of the suffering experienced by the Irish population he elicits sympathy and outrage from his audience This vividness not only serves to shock but also reinforces the urgency of his critique emphasizing the human cost of inaction in response to poverty and inequality Ultimately A Modest Proposal transcends its historical context remaining relevant in contemporary discussions of social justice inequality and ethics The work challenges readers to consider the moral implications of their own actions and the treatment of marginalized populations Swift s audacity to confront societal issues with humor and irony continues to resonate today encouraging critical dialogues about economic policies and social responsibility In summary Jonathan Swift s A Modest Proposal stands as a brilliant example of satirical writing that combines humor with a piercing critique of societal norms and injustices Through his outrageous suggestion Swift forces readers to confront the dehumanization inherent in socio economic discussions and the neglect of vulnerable populations His work challenges us to advocate for compassion and humanity in addressing social issues rather than perpetuating cycles of exploitation As readers engage with this masterfully crafted essay they are invited to reflect on their own roles in fostering a more equitable and just society

A Modest Proposal Jonathan Swift, 2024 In one of the most powerful and darkly satirical works of the 18th century a chilling solution is proposed to address the dire poverty and overpopulation plaguing Ireland Jonathan Swift presents a shockingly calculated and seemingly rational argument for using the children of the poor as a food source thereby addressing both the economic burden on society and the issue of hunger This provocative piece is a masterful example of irony and social criticism as it exposes the cruel attitudes and policies of the British ruling class towards the Irish populace Jonathan Swift s incisive critique not only underscores the absurdity of the proposed solution but also serves as a profound commentary on the exploitation and mistreatment of the oppressed A Modest Proposal remains a quintessential example of satirical literature its biting wit and moral indignation as relevant today as it was at the time of its publication JONATHAN SWIFT 1667 1745 was an Anglo Irish author poet and satirist His deadpan satire led to the coining of the term Swiftian describing satire of similarly ironic writing style He is most famous for the novel Gulliver s Travels 1726 and the essay A Modest Proposal 1729

A Modest Proposal First Edition Illustrated Jonathan Swift, 2021-01-27 A Modest Proposal for Preventing the Children of Poor People in Ireland from Being a Burden to Their Parents or Country and for Making Them Beneficial to the Public commonly referred to as A Modest Proposal is a Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729 Swift suggests in his essay that the impoverished Irish might ease their economic troubles by selling children as food for rich gentlemen and ladies By doing this he mocks the authority of the British officials A Modest Proposal is included in many literature programs as an example of early modern western satire It also serves as an exceptional introduction to the concept and use of argumentative language lending itself well to secondary and post secondary essay courses Outside of the realm of English studies A Modest Proposal is a relevant piece included in many comparative and global literature and history courses as well as those of numerous other disciplines in the arts

humanities and even the social sciences

A Modest Proposal Jonathan Swift, 2020-10-21 A Modest Proposal For preventing the Children of Poor People From being a Burthen to Their Parents or Country and For making them Beneficial to the Publick commonly referred to as A Modest Proposal is a Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729 The essay suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies This satirical hyperbole mocked heartless attitudes towards the poor as well as British policy toward the Irish in general The primary target of Swift s satire was the rationalism of modern economics and the growth of rationalistic modes of thinking in modern life at the expense of more traditional human values In English writing the phrase a modest proposal is now conventionally an allusion to this style of straight faced satire This essay is widely held to be one of the greatest examples of sustained irony in the history of the English language Much of its shock value derives from the fact that the first portion of the essay describes the plight of starving beggars in Ireland so that the reader is unprepared for the surprise of Swift s solution when he states A young healthy child well nursed is at a year old a most delicious nourishing and wholesome food whether stewed roasted baked or boiled and I make no doubt that it will equally serve in a fricassee or a ragout Swift goes to great lengths to support his argument including a list of possible preparation styles for the children and calculations showing the financial benefits of his suggestion He uses methods of argument throughout his essay which lampoon the then influential William Petty and the social engineering popular among followers of Francis Bacon

A Modest Proposal Jonathan Swift, 2014-04-12 A Modest Proposal A Juvenalian Satirical Essay Complete Edition By Dr Jonathan Swift A Modest Proposal for Preventing the Children of Poor People From Being a Burthen to Their Parents or Country and for Making Them Beneficial to the Publick commonly referred to as A Modest Proposal is a Juvenalian satirical essay written and published anonymously by Jonathan Swift in 1729 Swift suggests that the impoverished Irish might ease their economic troubles by selling their children as food for rich gentlemen and ladies This satirical hyperbole mocks heartless attitudes towards the poor as well as Irish policy in general In English writing the phrase a modest proposal is now conventionally an allusion to this style of straight faced satire Swift goes to great lengths to support his argument including a list of possible preparation styles for the children and calculations showing the financial benefits of his suggestion He uses methods of argument throughout his essay which lampoon the then influential William Petty and the social engineering popular among followers of Francis Bacon These lampoons include appealing to the authority of a very knowing American of my acquaintance in London and the famous Psalmanazar a native of the island Formosa who had already confessed to not being from Formosa in 1706 This essay is widely held to be one of the greatest examples of sustained irony in the history of the English language Much of its shock value derives from the fact that the first portion of the essay describes the plight of starving beggars in Ireland so that the reader is unprepared for the surprise of Swift s solution when he states A young healthy child well nursed is at a year old a most delicious nourishing and wholesome food
