Moebius Library: The Major Jean "Moebius" Giraud, 2024-07-23 A psychedelic sequential romp created by legendary comics master M. Bius's creations are treated in the Inside M. Bius series Join the Major on his last trip to the nebula of The Airtight Garage where M. Bius rules as the playful Trickster of legend What begins as a comical jaunt into unusually profound philosophical questions regarding the nature of existence eventually winds up as a penetrating examination of the relationship between the author and his creation the latter of whom must necessarily suffer at the heartless whim of his creator despite the Major's passionate desire for real life and even freedom beyond these comics Translated by Diana Schutz with lettering by Adam Pruett M. Bius's playfully drawn main black and white story is augmented with nine color pages
