Mohammed The Prophet Of Islam:

Muhammad the Prophet Maulana Muhammad Ali, 2015-04-16 Researched biography of the Holy Prophet Corrects misconceptions about his life answers western criticism 1 Muhammad The Prophet 2 The Early Caliphate by Muhammad Ali together constitute the most complete and satisfactory history of the early Muslims hitherto compiled in English Islamic Culture Hyderabad India He has now produced a biography of the Prophet of Islam in English It is not only Muslims who should feel grateful to him for the publication The book should indeed give greater gratification to the English speaking non Muslims whom it gives an opportunity of knowing the truth about the life and personality of one who is admitted on all hands to be the greatest reformer in the history of the world The New Orient it is written in an authoritative and interesting fashion and from a historical point of view will be well worth perusing by adherents of religions other than Islam The Civil and Military Gazette Lahore Pakistan **The Prophet Muhammad** Barnaby Rogerson, 2012-12-01 The Prophet Muhammad is a hero for all mankind In his lifetime he established a new religion Islam a new state the first united Arabia and a new literary language the classical Arabic of the Qur'an for the Qur'an is believed to be the word of God revealed to Muhammad by the angel Gabriel A generation after his death he would be acknowledged as the founder of a world empire and a new civilisation Any one of these achievements would have been more than enough to permanently establish his genius To our early twenty first century minds what is all the more astonishing is that he also managed to stay true to himself and retained to his last days the humility courtesy and humanity that he had learned as an orphan shepherd boy in central Arabia If one looks for a parallel example from Christendom you would have to combine the Emperor Constantine with St Francis and St Paul an awesome prospect Barnaby Rogerson's elegant biography not only looks directly at the life of the Prophet Muhammad but beautifully evokes for western readers the Arabian world into which he was born in 570 AD **Muhammad** Maulana Wahiduddin Khan, 2001 In making the Prophet Muhammad the greatest figure and consequently one of the most resplendent landmarks in human history God has bestowed his greatest favour on mankind Whoever seeks guidance cannot fail to see him for he stands out like a tower a mountain on the horizon radiating light like a beacon beckoning all to the true path It is inevitable that the seekers of truth will be drawn up to the magnificent pinnacle on which he stands *The Life and Religion of Mohammed* J. L. Menezes, 2005 Mohammed's life by a priest in India who worked from the earliest Islamic sources

Muhammad: Prophet and Statesman William Montgomery Watt, 1961 A biography of Muhammad the founder of Islam *The Truth About Muhammad* Robert Spencer, 2006-09-15 Muhammad a frank look at his influential and violent life and teachings In *The Truth about Muhammad* New York Times bestselling author and Islam expert Robert Spencer offers an honest and telling portrait of the founder of Islam perhaps the first such portrait in half a century unbounded by fear and political correctness unflinching and willing to face the hard facts about Muhammad's life that continue to affect our world today From Muhammad's first revelation from Allah which filled him with terror that he was demonpossessed to his deathbed

from which he called down curses upon Jews and Christians it s all here told with extensive documentation from the sources that Muslims themselves consider most reliable about Muhammad Spencer details Muhammad s development from a preacher of hellfire and damnation into a political and military leader who expanded his rule by force of arms promising his warriors luridly physical delights in Paradise if they were killed in his cause He explains how the Qur an s teaching on warfare against unbelievers developed with constant war to establish the hegemony of Islamic law as the last stage Spencer also gives the truth about Muhammad s convenient revelations justifying his own licentiousness his joy in the brutal murders of his enemies and above all his clear marching orders to his followers to convert non Muslims to Islam or force them to live as inferiors under Islamic rule In *The Truth about Muhammad* you ll learn The truth about Muhammad s multiple marriages including one to a nine year old How Muhammad set legal standards that make it virtually impossible to prove rape in Islamic countries How Muhammad s example justifies jihad and terrorism The real Satanic verses incident not the Salman Rushdie version that remains a scandal to Muslims How Muhammad s faulty knowledge of Judaism and Christianity has influenced Islamic theology and colored Muslim relations with Jews and Christians to this day Recognizing the true nature of Islam Spencer argues is essential for judging the prospects for largescale Islamic reform the effective prosecution of the War on Terror the democracy project in Afghanistan and Iraq and immigration and border control to protect the United States from terrorism All of which makes it crucial for every citizen and policymaker who loves freedom to read and ponder *The Truth about Muhammad*

statesman The contradictory Western visions of Muhammad In European culture Muhammad has been vilified as a heretic an impostor and a pagan idol But these aren't the only images of the Prophet of Islam that emerge from Western history Commentators have also portrayed Muhammad as a visionary reformer and an inspirational leader statesman and lawgiver In Faces of Muhammad John Tolan provides a comprehensive history of these changing complex and contradictory visions Starting from the earliest calls to the faithful to join the Crusades against the Saracens he traces the evolution of Western conceptions of Muhammad through the Reformation the Enlightenment and the nineteenth and twentieth centuries and up to the present day Faces of Muhammad reveals a lengthy tradition of positive portrayals of Muhammad that many will find surprising To Reformation polemicists the spread of Islam attested to the corruption of the established Church and prompted them to depict Muhammad as a champion of reform In revolutionary England writers on both sides of the conflict drew parallels between Muhammad and Oliver Cromwell asking whether the prophet was a rebel against legitimate authority or the bringer of a new and just order Voltaire first saw Muhammad as an archetypal religious fanatic but later claimed him as an enemy of superstition To Napoleon he was simply a role model a brilliant general orator and leader The book shows that Muhammad wears so many faces in the West because he has always acted as a mirror for its writers their portrayals revealing more about their own concerns than the historical realities of the founder of Islam
