Mommyville On The Road To A Phd In Parenthood:

Mommyville Orla Kelly, 2018-04-24 *Mommyville* is a witty and often comical take on parenting today. It gives parents tips and guidance to planning a busy morning routine and answering questions like Where do babies come from. It's a hoot, a true delight for new and expectant parents.

Professor Mommy Kristen Ghodsee, Rachel Connelly, 2011-07-01 Professor Mommy is a guide for women who want to combine the life of the mind with the joys of motherhood. The book provides practical suggestions gleaned from the experiences of the authors together with those of other women who have successfully combined parenting with professorships. Professor Mommy addresses key questions: when to have children and how many to have; what kinds of academic institutions are the most family friendly; how true or not true are the beliefs that many people hold about academic life; and so on for women throughout all stages of their academic careers from graduate school through full professor. The authors follow the demands of motherhood all the way from infancy to the teenage years. At each stage the authors offer invaluable advice and tested strategies for juggling the demands and achieving the rewards of an academic career and motherhood. Written in clear jargon-free prose, the book is accessible to women in all disciplines with concise chapters for the time-constrained academic. The book's conversational tone is supplemented with a review of the most current scholarship on work-family balance and a survey of emerging family-friendly practices at U.S. colleges and universities. Professor Mommy asserts that the faculty mother has become and will remain a permanent fixture on the landscape of the American academy. The paperback edition features a new preface that brings the book into conversation with Sheryl Sandberg's *Lean In* and Anne Marie Slaughter's *Why Women Still Can't Have It All*, as well as a new afterword providing specific suggestions for institutional change.

The PhD Parenthood Trap Kerry F. Crawford, Leah C. Windsor, 2021-10-01 For many parents the idea of work-life balance is a work-life myth. In *The PhD Parenthood Trap* Kerry F. Crawford and Leah C. Windsor use insights from original survey data and vignettes from scholars to reveal the realities of raising kids in academia and suggest reforms to help support parents throughout their careers.

Owly Saves the Magic Medicine Tree, Owly and the Enchanted Forest, Spirit of the Forest Helps Owly and Friends Orla Kelly, 2014-07-20 *Owly Saves The Magic Medicine Tree* A heartwarming, uplifting and positive story of loyalty, friendship, adventure and team work where a bunch of unlikely forest friends go on the adventure of a lifetime. Together they overcome the beady-eyed, sharp-clawed Victor Vulture, meet the mysterious Spirit of the Forest and save the Magical Medicine Tree. The creatures learn so much about themselves and each other, experience a whole new world, learn to make the magic of the forest come alive and learn many more important lessons that any child will enjoy. It is a story for young and old and will bring a smile to your face as you see where your imagination will take you. *Owly And The Enchanted Forest* Owly and friends make an enchanted forest home. See the magic come alive as they work together to turn their forest into a place full of fun, magic, color and adventure. It truly becomes a magical place to live but something will always happen and they are called to protect their

forest home Watch how they work together to save their forest from sneaky very dangerous badgers who try to attack and won't back down but the animals have other plans See the Magic Medicine Tree comes to the rescue once again and how the animals use everything they learned from the Spirit of the Forest and Magic Medicine Tree to survive a very scary moment Witness what happens the night of a terrifying storm and smile when you see what happens to Victor Vulture This is a heartwarming story about making the world a better place to live in helping each other and looking out for each other overcoming the odds and challenges that life throws at us and really making happy ever after stories come true Believe the unbelievable imagination is everything Spirit Of The Forest Helps Owly And Friends Owly helps a sad little butterfly find new wings and at the same time helps her see how wonderful she really is even without the wings she dreams about As the day of a fantastic party gets closer the whole forest and its creatures are put in danger by hunters See how the Spirit of the Forest the Magic Medicine Tree Owly and Victor Vulture bring the whole forest together to protect itself and make life very unpleasant for the hunters Watch what happens Just when it looks like nothing else can go wrong a child goes missing See how the Spirit of the Forest reunites the child with his Dad Of course its back again to the fantastic magical party for all the animals to celebrate everything that is wonderful about the Enchanted Forest and the creatures that live there Meaning Behind The Books 1 The bunch of unlikely forest animals that came together represent the diverse cross section of people children will meet in life different personalities problems etc 2 Owly the main character represents the inner wisdom of a child and about bringing out the best in themselves 3 Victor Vulture appears to be a bad guy but appearances can be deceptive and sometimes when we mess up there is a good and valid reason behind it 4 Magic Medicine Tree represent the healing power of nature and about looking after our environment and the world around us 5 Spirit of the Forest represents the life force all around us and is an unseen spirit that guides and looks over the forest and all its inhabitants It won't help unless asked 6 The twist little messages that teach something of value to children and this is how the story comes together As a mother I strongly believe we need to nurture our children but yet equip them with life skills that will help develop them personally These books are positive uplifting and teach children through story about bravery overcoming challenges looking out for each other helping each other appreciating all the good things in our lives taking care of our environment and making the world a better place to live
