**Rock Star/Movie Star** Landon Palmer,2020 During the mid 1950s when Hollywood found itself struggling to compete within an expanding entertainment media landscape certain producers and studios saw an opportunity in making films that showcased performances by rock n roll stars Rock stars eventually found cinema to be a useful space to extend their creative practices and the motion picture and recording industries increasingly saw cinematic rock stardom as a profitable means to connect multiple media properties Indeed casting rock stars for film provided a tool for bridging new relationships across media industries and practices From Elvis Presley to Madonna this book examines the casting rock stars in films In so doing Rock Star Movie Star offers a new perspective on the role of stardom within the convergence of media industries While hardly the first popular music culture to see its stars making the transition to screen the timing of rock s emergence and its staying power within popular culture proved fortuitous for a motion picture business searching for its place in the face of continuous technological and cultural change At the same time a post star system film industry provided a welcoming context for rock stars who have valued authenticity creative autonomy and personal expression This book uses

illuminating archival resources to demonstrate how rock stars have often proven themselves to be prominent film workers exploring this terrain of platforms old and new ideal media laborers whose power lies in the fact that they are rarely recognized as such Combining star studies with media industry studies this book proposes an integrated methodology for writing media history that combines the actions of individuals and the practices of industries It demonstrates how stars have operated as both the gravitational center of media production as well as social actors who have taken on a decisive role in the purposes to which their images are used **British Film Institute Film and Television Handbook 1990** David

Leafe,1989-01-01 *The Company of Wolves* James Gracey,2017-08-01 Co written by Irish filmmaker Neil Jordan and British novelist Angela Carter and based on several short stories from Carter s collection The Bloody Chamber The Company of Wolves 1984 is a provocative reinvention of the fairy tale of Little Red Riding Hood Unraveling a feverish metaphor for the blossoming of a young girl s sexuality and her subsequent loss of innocence the film entwines symbolism and metaphor with striking visuals and grisly effects Released in the early 1980s a time which produced several classic werewolf films including An American Werewolf in London and The Howling The Company of Wolves sets itself apart from the pack with its overtly literary roots feminist stance and art house leanings The film s narrative takes the form of a puzzle box unfolding as dreams within dreams and stories within stories which lead further into the dark woods of the protagonist s psyche as she finds herself on the cusp of womanhood This Devil s Advocate explores all these aspects as well as placing the film in the context of the careers of its creators and its position as an example of the Female Gothic **Film and Television Handbook** ,1992
