Les forces imaginantes du droit Mireille Delmas-Marty, 2013-01-10 Ce coffret réunit les quatre volumes de référence publiés au Seuil de 2004 à 2011 que Mireille Delmas Marty a consacré à l'émergence du nouvel ordre juridique mondial dont elle souhaite l'avènement Reprenant ici l'objet de ses cours au Collège de France l'auteur interroge le droit au regard de l'évolution de nos sociétés et nous livre une formidable analyse des nouveaux enjeux que pose le contexte mondialisé la recherche d'un droit commun et d'une communauté de valeurs

The Needed Balances in EU Criminal Law Chloé Brière, Anne Weyembergh, 2017-12-28 This important volume provides an up to date overview of the main questions currently discussed in the field of EU criminal law It makes a stimulating addition to literature in the field while offering its own distinctive features It takes a four part approach firstly it addresses issues of a constitutional nature such as the EU competence in the field of criminal law the importance of the principle of subsidiarity and the role played by the different EU institutions Secondly it looks at issues linked to the quest of the right balance between diversity and unity and focuses in particular on the special relationship between approximation and mutual recognition Thirdly it focuses on the balance between security and freedom or in other words between the shield and sword functions of EU criminal law Special attention is given here to transatlantic cooperation data protection terrorism the European Arrest Warrant and the European Investigation Order Finally it examines the importance of balanced relations between criminal justice actors

Nullum Crimen Sine Lege, the European Convention on Human Rights and the Foreseeability of the Law Sara Paiusco, 2021-06-17 Das Buch untersucht nullum crimen sine lege als europäischen Grundsatz Die Untersuchung konzentriert sich auf die Rolle der Vorhersehbarkeit als Leistung für die Legalitätsprobleme die sich aus dem Richterrecht im Strafrecht ergeben Die Vorhersehbarkeit und seine Entwicklung werden in der Rechtsprechung des EGMR untersucht Aktuelle Leistungen die von Zivilrechtsstaaten Italien und Deutschland angenommen wurden werden auch unter Berücksichtigung der theoretischen Grundlagen von ncs analysiert Darüber hinaus wird die Rolle der Vorhersehbarkeit im EU Recht als Beispiel für eine wirkungsorientierte Rechtsordnung betrachtet Abschließend werden Zukunftsperspektiven für die Umsetzung der Vorhersehbarkeit analysiert

Select Proceedings of the European Society of International Law, Volume 4, 2012 Mariano J Aznar, Mary E Footer, 2016-01-28 This is the fourth in the Series of Select Proceedings of the European Society of International Law ESIL featuring the most important and interesting papers presented at the Fifth Biennial Conference on Regionalism and International Law organised by ESIL and the University of Valencia in 2012 As usual the best papers from that conference have been rewritten edited and drawn together by the two editors to present a perspective on what is a flourishing forum for the discussion of new ideas and scholarship on international law

Michigan Journal of International Law, 2006 Internationalization of Law Marcelo Dias Varela, 2014-06-17 The book provides an overview of how international law is today constructed through diverse macro and microprocesses that expand its traditional subjects and sources with the attribution of sovereign capacity and power to the

international plane moving the international toward the national Simultaneously national laws approximate laws of other nations moving among nations or moving the national toward the international and new sources of legal norms emerge independent of states and international organisations This expansion occurs in many subject areas with specific structures commercial environmental human rights humanitarian financial criminal and labor law contribute to the formation of post national law with different modes of functioning different actors and different sources of law that should be understood as a new complexity of law

Politics in Education Peter Kemp, Asger Sørensen, 2012 There is no education that can avoid being political Still the question is in what sense is education political and if all education must be political to what extent politics must be made the explicit telos of the formation and upbringing and how the relation might be between the principles needed for education and those of the political sphere Today after the successive collapses of the modern models of good society first realized socialism and then neo liberal market society the question is what should the standards be for education and especially what the relation should be between these standards and politics Do we for instance have to raise human beings to become citizens of a civic republic a world society or a league of nations Can education limit itself to local concerns or must it transcend the limits to become international transnational or even global Should we educate to a global social democracy This book examines these questions Series Philosophy of Education Vol 2

The Fight Against Child Trafficking Élisabeth Narminio, 2023-03-23 This book analyzes the contemporary effects of anti trafficking policies on children trafficked for labour It explores different dimensions of private and public apparatuses through which the governmentality of child trafficking manifests itself at a regional and interregional level It investigates questions linked to the diffusion of the child trafficking norm between and within regions and stakeholders to the criminalization and vulnerabilization of child traffickees and to private governance of anti trafficking initiatives in particular concerning social sustainability of business supply chains Drawing on extensive fieldwork with government police justice civil society multilateral organizations and businesses in the EU and in ASEAN the book argues that child traffickees are subjected not only to physical and psychological violence but also to structural violence The book concludes with suggestions to improve current anti trafficking regimes This book will be of key interest to scholars students and practitioners in EU Studies Southeast Asian Studies Regionalism Human Rights Law International Relations and International Political Economy Chapters 3 6 and the Conclusion of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

L'accès aux médicaments des pays en développement Thomas Bréger, 2011-06-01 Le médicament est devenu un objet de marché dans une économie mondialisée Le manque d'accès aux traitements s'analyse comme le résultat d'une exclusion des pays en développement du marché pharmaceutique causée tant par leur situation socio-économique que par la structure du marché et les règles de l'OMC relatives à la propriété intellectuelle Un renouveau du droit au développement humain définit l'accès aux médicaments comme un
