Mini Rex Color Guide:

Mini Rex Rabbits as Pet Judith Reo, 2025-09-02 Introduction to Mini Rex Rabbits 1 History and Origin of the Mini Rex Breed The Mini Rex rabbit is a captivating little creature whose history is rooted in careful breeding selective genetics and the desire for a perfect combination of beauty texture and temperament To truly appreciate the Mini Rex as a pet it s worth understanding where they came from how they developed and why they have become such a distinctive and beloved breed among rabbit enthusiasts The Rex gene which is the hallmark of the breed first appeared in France in 1919 This genetic mutation caused the rabbit s fur to grow in a unique way with the guard hairs being the same length as the undercoat As a result Rex rabbits had fur that was incredibly soft plush and velvety unlike the coarse texture of most other breeds The fur stood upright rather than lying flat which gave them a dense luxurious feel that would become their trademark The original Rex rabbits were medium to large in size weighing between 7 5 and 10 5 pounds While their coats were their most noticeable trait early breeders also recognized their calm temperaments and docile nature making them excellent candidates for both showing and keeping as companion animals The Mini Rex is a much later development In the 1980s American breeders began working on creating a smaller version of the Rex that retained the breed s famous plush fur but came in a more compact easy to handle size This was achieved by selectively breeding smaller Rex rabbits and crossing them with dwarf breeds such as the Netherland Dwarf The result was a rabbit weighing between 3 5 and 4 5 pounds with the same coat quality body shape and temperament of the larger Rex but in a size that made them even more appealing to pet owners The Mini Rex was officially recognized by the American Rabbit Breeders Association ARBA in 1988 with the first accepted color being Castor a rich brown agouti pattern Over time the breed s color palette has expanded dramatically and today there are more than 20 recognized colors and patterns including black blue broken spotted chinchilla lilac and white From their humble beginnings as a genetic mutation in rural France to their status as one of the most popular pet rabbit breeds in the United States and beyond the Mini Rex s journey reflects the dedication and vision of rabbit breeders who sought to combine beauty personality and practicality in one package 2 Why They Are Popular Pets There s no denying the charm of the Mini Rex rabbit Their rise in popularity among pet owners is the result of a combination of factors that go far beyond their looks although their plush coats and wide variety of colors certainly help 1 Manageable Size One of the biggest advantages of the Mini Rex is their compact size Adult Mini Rex rabbits typically weigh between 3 5 and 4 5 pounds making them easier to handle than larger breeds They don t require as much living space which is particularly appealing for people living in apartments or homes without large backyards Their smaller size also means they are less intimidating to children though as with all rabbits supervision is essential 2 Luxurious Coat The Mini Rex s coat is their signature feature and one of the reasons they re so sought after Unlike long haired rabbits such as the Angora the Mini Rex s short velvety fur requires minimal grooming and doesn t tangle or mat easily This makes them a great choice for first time rabbit owners who may be daunted

by the grooming demands of other breeds The texture of their fur is often compared to velvet or mink and petting a Mini Rex can be an almost addictive experience Visitors often comment on how soft they feel and for many owners the coat alone is enough to make them fall in love **Storey's Guide to Raising Rabbits, 4th Edition** Bob Bennett,2014-07-09 Whether you re interested in raising rabbits for show meat fur or as pets this comprehensive guide covers everything you need to know to keep your animals healthy and productive Offering expert advice on breed selection housing feeding humane handling routine medical care and dealing with diseases Bob Bennett also provides tips on how to make raising rabbits a financial lucrative endeavor Storey s Guide to Raising Rabbits will help both the commercial producer and the backyard fancier achieve their rabbit raising goals [The Complete Illustrated Guide to Farming](#) Philip Hasheider,Samantha Johnson,2014-06-15 The Complete Illustrated Guide to Farming is a comprehensive one stop encyclopedic guide for the beginning farmer hobby farmer and small scale family farmer Are you interested in the country lifestyle or becoming more self reliant Do you think about someday raising livestock or growing crops If you re ready to make these thoughts a reality The Complete Illustrated Guide to Farming is the perfect place to start Farming experts Philip Hasheider and Samantha Johnson explain farming from start to finish build your own fence repair your own machinery and know what to look for when you re buying a tractor Instead of buying a book on each subject area you need just this one which condenses the most important and relevant information on every aspect of running a farm into a single handy volume And unlike other books it s designed specifically for the owner of a working farm This practical illustrated guide provides hard won expert advice on raising livestock and growing crops making repairs harvesting and butchering managing a woodlot and more It s everything you need to know to establish and maintain your farm **The Rabbit** Audrey Pavia,2008-05-05 For people who want a furry companion that doesn t need twice daily walks or extensive grooming **The Simple Guide to Rabbits** Bobbye Land,2004 Includes choosing the right tabbit health care grooming taming and training and rabbit breeds *Guide to Owning a Rabbit* Anne Lindsay,1997 In this small guidebook you will find all the information you need to get started in this hobby either as a one bunny owner an exhibitor or a potential breeder **An Illustrated Guide to Animal Science Terminology** Colleen Michele Brady,2008 Author s name appears as Colleen M Brady on CD ROM *Rabbit Breeds* Lynn M.
