

MISS HONEY

I'm not strong like you, Matilda. You see, my father died when I was very young. Magnus was his name. He was very kind. But when he was gone, my aunt became my legal guardian. She was mean and cruel like you can hardly imagine. And then, when I got my job as a teacher, she presented me with a bill for looking after me all those years. She'd written everything down: every tea bag, every electricity bill, and every tin of beans. And she made me sign a contract to pay her back every penny. She even produced a document that said my father had given her his entire house. I find it hard to believe that he really left it to her. Just like I cannot believe that he would have...killed himself, which is what she said happened.

LAVENDER

Hello. I'm Lavender by the way. Matilda's best friend. There's a bit coming up that's all about me. Well, not exactly about me, but I play a big part in it. But I'm not gonna say what happens because I don't want to spoil it for you.

(Pause)

Alright, look, what I do is I volunteer to get the Trunchbull a jug of water. And then...

No! I don't want to tell you anymore because I don't want to ruin it!

(Pause. Stars to go)

Well on the way back I find a newt. A newt is a really ugly lizard that lives in water, so I pick it up and – No! I will not say anymore!

(Starts to go, but really this time)

I'm going to put the newt in Trunchbull's jug! It's going to be brilliant!

BRUCE

It was the biggest burp I had ever done. It was the biggest burp I had ever heard, the biggest burp I had ever heard about. It was like the entire world went silent for that burp to exist, as a huge cloud of chocolaty gas wafted from my mouth and drifted...across class...

Past Lavender...

Past Alice...

Past Matilda...and then, my great big beautiful chocolaty burp, which now seemed to have a mind of it's own, wafted full into the face of the Trunchbull.

MR WORMWOOD

(On the phone) Yes sir, that's right sir. One hundred and fifty five brand new luxury cars, sir. *(Listens)* 'Are they good runners?' Let's put it this way...you wouldn't beat them in a race.

(He laughs hugely at his funny joke but there is silence from the other end of the line. He stops laughing, immediately)

No, sir, yes, sir, they are good runners sir, yes, sir indeed, sir.

(Ends call and speaks to his family)

I'm going to make us rich! Very rich. Russian businessmen. Very, very stupid. Your genius husband is going to sell them one hundred and fifty five knackered old bangers as... brand new luxury cars! *(To Matilda)* Fair does not get you anywhere,

The early thirteenth century French prose Lancelot Grail Cycle or Vulgate Cycle brings together the stories of Arthur with those of the Grail a conjunction of materials that continues to fascinate the Western imagination today Representing what is probably the earliest large scale use of prose for fiction in the West it also exemplifies the taste for big cyclic compositions that shaped much of European narrative fiction for three centuries A Companion to the Lancelot Grail Cycle is the first comprehensive volume devoted exclusively to the Lancelot Grail Cycle and its medieval legacy The twenty essays in this volume all by internationally known scholars locate the work in its social historical literary and manuscript contexts In addition to addressing critical issues in the five texts that make up the Cycle the contributors convey to modern readers the appeal that the text must have had for its medieval audiences and the richness of composition that made it compelling This volume will become standard reading for scholars students and more general readers interested in the Lancelot Grail Cycle medieval romance Malory studies and the Arthurian legends
