MIRACLE MATH

Here is an amazing and simple method of calculating that can help anyone save time and money, and handle business more profitably using the same arithmetic we all learned in school. Add, subtract, multiply and divide almost as fast as you can read, and be accurate every time! Sound impossible? You will get dramatic proof in the very first chapter — a trick you can learn in sixty seconds will enable you to add faster than an adding machine and with no mistakes.

These mathematical miracles require no slide-rule juggling, and no mysterious new terminology. They translate math principles into clear, easy-to-follow methods you can put to work for you — starting now!
