Cry Of The Peacock Gina B. Nahai, 2000-11 Peacock is jailed in Iran by the Islamic Revolutionary Guard While in prison she recounts her remarkable 116 year life to her fellow inmates

The Jews of Iran Houman M. Sarshar, 2014-09-17 Living continuously in Iran for over

2700 years Jews have played an integral role in the history of the country Frequently understood as a passive minority group and often marginalized by the Zoroastrian and succeeding Muslim hegemony the Jews of Iran are instead portrayed in this book as having had an active role in the development of Iranian history society and culture Examining ancient texts objects and art from a wide range of times and places throughout Iranian history as well as the medieval trade routes along which these would have travelled The Jews of Iran offers in depth analysis of the material and visual culture of this community Additionally an exploration of modern novels and accounts of Jewish Iranian women s experiences sheds light on the social history and transformations of the Jews of Iran from the rule of Cyrus the Great c 600 530 BCE to the Iranian Revolution of 1978 9 and onto the present day By using the examples of women writers such as Gina Barkhordar Nahai and Dalia Sofer the implications of fictional representation of the history of the Jews of Iran and the vital importance of communal memory and tradition to this community are drawn out By examining the representation of identity construction through lenses of religion gender and ethnicity the analysis of these writers work highlights how the writers undermine the popular imagining and imaging of the Jewish other in an attempt to create a new narrative integrating the Jews of Iran into the idea of what it means to be Iranian This long view of the Jewish cultural influence on Iran s social economic political and cultural development makes this book a unique contribution to the field of Judeo Iranian studies and to the study of Iranian history more broadly
