

My family

My family has three people: my father, my mother and me. I am the only daughter in my family. I haven't any brothers. My father is a lecturer in a college. He is 48 years old. He has been teaching English for over 20 years. He is an experienced teacher. He has already written 40 books. My mother works at the same school with my father. She is 43 years old. She is a cheerful and pretty person. As for me, I am a pupil at a high school in the province now. I am a student. My dream is to be an English teacher like my parents. I hope that my dream will come true in a near future.

My Family Essay In Russian:

A Russian Diary Anna Politkovskaya, 2009-04-23 Anna Politkovskaya one of Russia's most fearless journalists was gunned down in a contract killing in Moscow in the fall of 2006 Just before her death Politkovskaya completed this searing intimate record of life in Russia from the parliamentary elections of December 2003 to the grim summer of 2005 when the nation was still reeling from the horrors of the Beslan school siege In *A Russian Diary* Politkovskaya dares to tell the truth about the devastation of Russia under Vladimir Putin a truth all the more urgent since her tragic death Writing with unflinching clarity Politkovskaya depicts a society strangled by cynicism and corruption As the Russian elections draw near Politkovskaya describes how Putin neutralizes or jails his opponents muzzles the press shamelessly lies to the public and then secures a sham landslide that plunges the populace into mass depression In Moscow oligarchs blow thousands of rubles on nights of partying while Russian soldiers freeze to death Terrorist attacks become almost commonplace events Basic freedoms dwindle daily And then in September 2004 armed terrorists take more than twelve hundred hostages in the Beslan school and a different kind of madness descends In prose incandescent with outrage Politkovskaya captures both the horror and the absurdity of life in Putin's Russia She fearlessly interviews a deranged Chechen warlord in his fortified lair She records the numb grief of a mother who lost a child in the Beslan siege and yet clings to the delusion that her son will return home someday The staggering ostentation of the new rich the glimmer of hope that comes with the organization of the Party of Soldiers Mothers the mounting police brutality the fathomless public apathy all are woven into Politkovskaya's devastating portrait of Russia today If anybody thinks they can take comfort from the optimistic forecast let them do so Politkovskaya writes It is certainly the easier way but it is also a death sentence for our grandchildren *A Russian Diary* is testament to Politkovskaya's ferocious refusal to take the easier way and the terrible price she paid for it It is a brilliant uncompromising exposé of a deteriorating society by one of the world's bravest writers Praise for Anna Politkovskaya Anna Politkovskaya defined the human conscience Her relentless pursuit of the truth in the face of danger and darkness testifies to her distinguished place in journalism and humanity This book deserves to be widely read Christiane Amanpour chief international correspondent CNN Like all great investigative reporters Anna Politkovskaya brought forward human truths that rewrote the official story We will continue to read her and learn from her for years Salman Rushdie Suppression of freedom of speech of expression reaches its savage ultimate in the murder of a writer Anna Politkovskaya refused to lie in her work her murder is a ghastly act and an attack on world literature Nadine Gordimer Beyond mourning her it would be more seemly to remember her by taking note of what she wrote James Meek [Writing From The Heart](#) Peggy Veljkovic, Arthur Schwartz, 2009-07-27 *Writing from the Heart* offers us a unique window into what young people have learned about life This collection of essays captures the values that matter most to teens values such as love perseverance family and helping others in their own words As the young writers reflect on their own experience readers of all ages will be inspired by their wisdom and hope From

Chattanooga to China these essays are all extraordinary They not only celebrate the accomplishments of the young writers but also offer an opportunity to peer into the hearts and minds of young people around the world Readers may be amazed at some of the hardships that these teens have faced but will have a deep sense of optimism for our future In addition they inspire us to make the most of our lives as well

The Displaced Viet Thanh Nguyen, 2022-03-31 Powerful and deeply moving personal stories about the physical and emotional toll one endures when forced out of one's homeland PBS Online In January 2017 Donald Trump signed an executive order stopping entry to the United States from seven predominantly Muslim countries and dramatically cutting the number of refugees allowed to resettle in the United States each year The American people spoke up with protests marches donations and lawsuits that quickly overturned the order Though the refugee caps have been raised under President Biden admissions so far have fallen short In *The Displaced* Pulitzer Prize winning writer Viet Thanh Nguyen himself a refugee brings together a host of prominent refugee writers to explore and illuminate the refugee experience Featuring original essays by a collection of writers from around the world *The Displaced* is an indictment of closing our doors and a powerful look at what it means to be forced to leave home and find a place of refuge One of the Ten Best Books of the Year Minneapolis Star Tribune Together the stories share similar threads of loss and adjustment of the confusion of identity of wounds that heal and those that don't of the scars that remain San Francisco Chronicle Poignant and timely these essays ask us to live with our eyes wide open during a time of geopolitical crisis Also 10% of the cover price of the book will be donated annually to the International Rescue Committee so I hope readers will help support this book and the vast range of voices that fill its pages Electric Literature

Adventures in Russian Historical Research Samuel H. Baron, Cathy Frierson, 2015-04-08 American historians of Russia have always been an intrepid lot Their research trips were spent not in Cambridge or Paris Rome or Berlin but in Soviet dormitories with official monitors They were seeking access to a historical record that was purposefully shrouded in secrecy boxed up and locked away in closed archives Their efforts indeed their curiosity itself sometimes raised suspicion at home as well as in a Soviet Union that did not want to be known even while it felt misunderstood This lively volume brings together the reflections of twenty leading specialists on Russian history representing four generations They relate their experiences as historians and researchers in Russia from the first academic exchanges in the 1950s through the Cold War years detente glasnost and the first post Soviet decade Their often moving acutely observed stories of Russian academic life record dramatic change both in the historical profession and in the society that they have devoted their careers to understanding

Growing Up in the North Caucasus Irina Molodikova, Alan Watt, 2014-01-03 Investigating changes in upbringing in the North Caucasus a region notorious for violent conflict this book explores the lives of the generation born after the dissolution of the USSR who grew up under conditions of turmoil and rapid social change It avoids the traditional presentation of the North Caucasus as a locus of violence and instead presents the life of people in the region through the lens of the young generation growing up there Using focus groups with teachers and

students of different ethnic groups as well as surveys and essays written by children the book suggests that while the legacy of conflict plays a role in many children's lives it is by no means the only factor in their upbringing It explores how conflict has influenced upbringing and goes on to consider factors such as the revival of religion the impact of social and economic upheaval and the shifting balance between school and parents As well as revealing the dynamic influences on children's upbringing in the region the book presents recommendations on how to address some of the challenges that arise The role of government in education is also evaluated and prospects for the future are considered The book is useful for students and scholars of Education Sociology and Central Asian Studies *Russian Music at Home and Abroad* Richard

Taruskin, 2016-09-06 This new collection views Russian music through the Greek triad of the Good the True and the Beautiful to investigate how the idea of nation embeds itself in the public discourse about music and other arts with results at times invigorating at times corrupting In our divided post Cold War and now post 9 11 world Russian music formerly a quiet corner on the margins of musicology has become a site of noisy contention Richard Taruskin assesses the political and cultural stakes that attach to it in the era of Pussy Riot and renewed international tensions before turning to individual cases from the nineteenth century to the present Much of the volume is devoted to the resolutely cosmopolitan but inveterately Russian Igor Stravinsky one of the major forces in the music of the twentieth century and subject of particular interest to composers and music theorists all over the world Taruskin here revisits him for the first time since the 1990s when everything changed for Russia and its cultural products Other essays are devoted to the cultural and social policies of the Soviet Union and their effect on the music produced there as those policies swung away from Communist internationalism to traditional Russian nationalism to the musicians of the Russian postrevolutionary diaspora and to the tension between the compelling artistic quality of works such as Stravinsky's *Sacre du Printemps* or Prokofiev's *Zdravitsa* and the antihumanistic or totalitarian messages they convey *Russian Music at Home and Abroad* addresses these concerns in a personal and critical way characteristically demonstrating Taruskin's authority and ability to bring living history out of the shadows **Letters of a**
