

Short Essay

My favorite place to relax

My favorite place to relax is a quiet park near my house. It's the perfect place to escape from the busy world and enjoy the calmness of nature. The park is filled with tall trees, bright flowers, and soft green grass. The peaceful atmosphere makes it the best spot for me to unwind.

When I go to the park, I like to sit on a comfortable bench under a big tree. The fresh air always makes me feel good, and I love watching the birds and squirrels running around. Sometimes, I even see rabbits hopping by! The park is a great place to read my favorite books because it's so quiet, and there are no distractions. I can focus on my book and relax at the same time.

Being in the park helps me clear my mind and think about everything that's been happening. I enjoy the beautiful views around me—the trees, flowers, and wide open space make everything seem calm.

Whenever I feel stressed or tired, I visit this park. It's my favorite place because it helps me feel calm, peaceful, and happy. It's where I can truly relax and enjoy the beauty of nature.
