that he considers inappropriate given the age difference and by a series of murders on which he investigates together with his god daughter DI Miriam Leroux They bear similarities to a 1994 cold case in which Eric himself rescued a seven year old girl from a crime scene the only witness to the massacre of her family In this psychological crime thriller series the border between investigation and crime becomes blurred in a story that isn t only about finding the culprit but rather observing how the main character decides to react to his shocking findings In a dark game of deception and suspense the reader will be thrown into modern day London and will end up wondering where the line between good and evil justice and revenge really is The trilogy includes the following novels 1 The Mentor 2 Syndrome 3 Beyond the Limit
