

# MY PARENTS

- Parents are a blessing to every child. They have brought us to this world. Parents take care of their children since childhood.
- Biological parents are first degree parents of a child. However, some people adopt children and give them the required care. These people are also parents.
- Parents are considered the legal guardian of a child.
- Parents help in the physical and mental growth of a child.
- Parents also make sacrifices to provide us with a comfortable lifestyle. They work hard to nurture us well.
- Parents are the pillars and shadows of our lives.
- Parents bring us to the world and help us to become a mature person. In this process, parents take care of our physical, psychological, financial, and social growth.
- Parents influence, motivate and encourage us in every sphere of our lives.
- A mother is the first teacher in every child's life. The mother builds the character of a child.
- Parents teach us the difference between pure and evil. They listen to our problems and help us solve those issues.
