catered cuisine They will also indulge in a little DMT a short acting psychedelic drug meant to open their senses and transport them to a higher plain But as the weekend unfolds long buried tensions unresolved grievances and old secrets emerge leaving Dani desperate for clarity about her life Dani and her friends take the drug late at night on an open hillside beneath the glittering stars When Dani returns from her intense and revelatory trip she learns that one of her friends has gone missing Then another disappears And soon Dani finds herself alone on the dark mountainside seemingly abandoned by the people who are supposed to love her most Or have they somehow been taken from her What could Dani have possibly done to deserve a devastating birthday night like this and how will she make it to the morning alone
