Mysticism And Spirituality Spirituality The Way Of Life Opera Omnia:

Mysticism and Spirituality Raimon Panikkar, 2014 The first volume of this Opera Omnia has been divided into two books one dedicated to mysticism intended as the supreme experience of reality and the second dedicated to spirituality intended as the path toward such an experience There are different paths because they depend not only on tradition and worship but also on the different sensitivities of human beings and historical periods What kind of spirituality is appropriate to our times The book starts with two booklets in which some lines of argument developed in the context of Christian religious retreats were spelled out in the plain language of everyday speech The second section deals with a spirituality practiced by monks although not confined to institutional monasticism but seen rather as a universal archetype to be found in very human being the search for monos union with the Divine There follows a description of the ascetic tradition in India and as an example of the encounter of western Christian spirituality with Indic spirituality an article dedicated to my friend Henri Le Saux who is an example of the fertile encounter between the two traditions The last section is dedicated to wisdom as the goal of a positive spirituality from the Introduction

Raimon Panikkar Peter C. Phan, Ro Young-chan, 2018-01-01 Raimon Panikkar A Companion to his Life and Thought is a guide to the life work and thought of Raimon Panikkar a self professed Buddhist Christian Hindu philosopher and theologian A man of deep and wide learning and an extremely prolific author Panikkar is equally at home in various religious and cultural traditions and embodies in himself the ideals of intercultural intrareligious and interreligious dialogues This book explicates Panikkar s basic vision of life as the harmonious rhythm of divinity humanity and the cosmos which he terms cosmotheandrisms and shows how it permeates and illumines his articulations of the central Christian doctrines Given the complexity and difficulty of Panikkar s thought this book is a welcome companion for a course on Panikkar and for a general reader who wishes to understand one of the most profound and original thinkers of our time

Human Perfection, Transfiguration

and Christian Ethics Robin Gill, 2024-05-16 Examining contemporary secular culture and the New Testament this study explores the contradictions of the concept of human perfection

The New Big Book of Christian Mysticism Carl McColman, 2023-08-29 This revised and expanded edition offers a big possibility the hope of achieving real experiential union with God The Christian of the future will be a mystic or will not exist This word of warning from theologian Karl Rahner was uttered half a century ago and today Christianity is indeed in crisis Is mysticism necessary for the survival of Christianity What exactly is Christian mysticism How can it be relevant in our crisis ridden world Questions like these inspire The New Big Book of Christian Mysticism a newly updated edition from beloved spiritual teacher and bestselling author Carl McColman The New Big Book of Christian Mysticism serves as both introduction and practical instruction for a living contemplative practice today In addition to the overview of mysticism spiritual and prayer practices in mysticism the various types of mysticism in Christian tradition and influential mystics through the millennia this second edition offers an embodied understanding of the mystic life with a more diverse range of voices and perspectives from Howard Thurman to Pauli Murray It also includes new chapters and themes that address embodied mysticism contemplation and social justice and the ongoing relevance of Jesus s message of radical equality and inclusivity This bigger book introduces both Christians and non Christians to the contemplative tradition within Christianity a tradition that has often been marginalized or cloistered to the church s detriment As a practice oriented book this is an invitation to embrace the mystical element within Christianity a practice that can equip faithful persons with a joyful sense of divine intimacy not just for personal benefit but as a foundation to a life of service and activism in the interest of justice McColman s overview of mysticism shows how it has been practiced and lived through the centuries and will prove inspirational for today s seekers regardless of their faith tradition At its heart Christian mysticism is an ancient practice that incorporates meditation contemplation worship philosophy the quest for enlightenment the thirst for a better world and the experience of divine presence
