The Child's World Jan Horwath, Janet Anne Basarab-Horwath, 2010 Rev ed of *The child's world assessing children in need 2001 Report of the Proceedings of the ... Annual Convention of the Master-Car Builders' Association* Master Car Builders' Association, 1891

Social Work, Parents and the Child Protection Process Katrin Bain, John Harris, 2024-10-18 Despite the pivotal role played by parents in the child protection process little attention has been paid to how social workers perceive them Exploring representations of parents within Children's Services at the levels of policy organisation and frontline practice the concept of citizenship is used to construct a typology with ten variants of parent citizenship The typology reveals the complexities of parental representations and their relationship to the content of policy organisational environments and dominant societal themes as it uncovers how social workers represent parents in their day to day practice The book is a resource that can be used by students practitioners researchers and parent advocacy organisations to evaluate policy and practice and to contribute to the search for the best possible outcomes for families Arguing that parental participation in the child protection process is essential the book increases the visibility of parents and contributes to a much needed dialogue about working with parents in Children's Services

Child Protection, Domestic Violence and Parental Substance Misuse Hedy Cleaver, Deborah Cleaver, Sukey Tarr, Don Nicholson, 2007-09-15 This book draws on a wide range of evidence to explore the facts about the relationship between substance misuse and domestic violence and their effect on children and examines the response of children's services when there are concerns about the safety and welfare of children

Proceedings and Committee Reports American Association of Railroad Superintendents, 1907

HC 975 - Inspection in Home Affairs and Justice Great Britain. Parliament. House of Commons. Committee of Public Accounts, 2015 Current arrangements for appointing Chief Inspectors and for setting their budgets potentially pose a significant threat to their independence Chief Inspectors are reliant for their appointment the length of their tenure and the size of their budgets on the very same Ministers who are responsible for the sectors they inspect There is a risk that Departments could use these controls over inspectorates as levers to influence Chief Inspectors The Chief Inspectors told that they do not believe the independence of how they conducted inspections was in doubt However the Cabinet Office needs to conduct a full review of all arrangements for Chief Inspectors Particularly shocking was the Ministry of Justice's mishandling of an entirely foreseeable conflict of interest in its appointment of Paul McDowell whose wife held a senior position in Sodexo Justice Services The independence of the Chief Inspector of Borders and Immigration is also undermined by the fact that the Home Secretary now decides when to publish his reports Since the Home Secretary took control of publishing the Chief Inspector's reports there have been significant delays which can undermine genuine accountability by blunting the impact of reports Inspectorates are not held to account with no formal requirements for

inspectorates to demonstrate their impact and effectiveness The Chief Inspectors accepted that they needed to do more to follow up and make sure their recommendations were implemented by inspected bodies Inspectorates need to do more to exploit their findings and do more to learn from each other *Working Together to Safeguard Children* Great Britain. Department for Education and Skills,2006 *Working Together to Safeguard Children Youth Justice and Child Protection* Malcolm Hill,Andrew Lockyer,Frederick H. Stone,2007 This book is an examination of recent developments in the areas of youth justice and child protection It investigates how well young people and the societies in which they live are served by judicial and service systems Consideration is given to those in care in young offenders institutions foster families and residential homes as well as those living with their families A broad range of international experts discuss the largely segregated youth justice and children s legal and service systems in England and Wales other parts of Western Europe and the US and compare these with Scotland s integrated system The implications of these arrangements are considered for the rights of children and parents on the one hand and society on the other The contributors also provide insights into the rationale for current and proposed policies as well as the efficacy of different systems This book will be an important reference for policy makers social workers lawyers magistrates and equivalent decision makers health professionals carers and all those working in youth justice and child protection It is highly relevant for academics and students interested in children citizenship youth crime child welfare and state family relations Report on the Reorganisation of the Salt Revenue Administration in China, 1913-1917 Sir Richard Dane,1918 *Annual Report of the Chief Inspector of Factories and Workshops for the Year ...* Great Britain.
