Jose Return Of The King:

Jose - Return Of The King Harry Harris,2014-09-04 I stay until they want me not to stay No club moves me from Chelsea until Chelsea wants me to move because I want to be where I am loved Jose Mourinho January 2014 Yet in December 2015 the love affair came to an incredible and stunning end This book chronicles the entire remarkable story of Jose Mourinho and Chelsea with a critical insight into how and why it ended so dramatically Confrontational passionate full of chutzpah Mourinho is a masterful tactician and surely the best boss in the history of Chelsea Yet for a second time the Emperor of the Bridge Roman Abramovich cast him aside The reason having won the Premier League the team s defence of the title proved to be one of the most bizarre periods in the club s history In his first stint at Stamford Bridge the self styled Special One won two League titles back to back the FA Cup and two League Cups and included a still unsurpassed Premier League points tally record of 95 in the 2004 5 season On returning home after a six year absence Mourinho receiving a welcome by an army of Chelsea fans who love him every bit as much as they used to He rewarded their faith in some fashion sweeping aside newly rich Manchester City to soar to a third League title with three games to spare as well as a third League Cup Then came the biggest collapse of any defending title holder Why did it happen Who was to blame Was there a players rebellion Who panicked behind the scenes and why How much was the row with the first team doctor Eva Carneiro at the heart of Mourinho s second sacking from Chelsea The answers lie in this fully revised updated and expanded edition of Harry Harris s biography It brings Mourinho s story right up to date showing exactly why English football would be infinitely poorer without the colourful commanding and controversial presence of the Special One Return to the Fatherland Adrienne

Paraiso,Richard,2015-07-01 My wife and I have shared our story with dozens of peoplesenior citizens young adults and teenagerswhile my wife has read excerpts of the book to a classroom of inquisitive second graders We combined into journals the scores of recent photos from overseas with past film and information compiled over the years We were able to procure the family tree from my West African kin of whom I had met online in 2002 While we had no original intentions of writing a book once we began sharing our adventure people encouraged us to put it in book form The incentive for making the journey to West Africa was to find the core of my identity leading back to Africa and Brazil and which confirmed my African and Latino roots Our vision upon leaving Africa was not only to share the story about my family tree but also to build a bridge to a stronger more resilient bond among West Africans Latinos and Americans I have endeavored to maintain contact with my Nigerian family and do so monthly A Commentary on the Holy Scriptures: Kings Johann Peter Lange,1872 **Jose**
