

My Journal

Monday, September 8, 2014

This afternoon, after school, some of my friends came over to my house and we played basketball.

Basketball is one of my favorite sports and even when I can't get enough of my friends to play, I still like to practice by myself on my jump shots.

I have been making sure that I have been eating foods from the 5 basic food groups. Today for breakfast I had cereal with skim milk and a banana.

I have been getting good grades in all my classes at school. My favorite class is Math because I like the challenge of trying to solve the math problems.
