Monarchy Scavenger Hunt

Throughout *The Canterbury Tales* the pilgrims refer to historical figures including monarchs and people who worked closely with the monarchs. For this reason, it is helpful to understand a little bit about the history of the kings of England. The Saxons were the first to rule as king of all England, so that is where this scavenger hunt begins. The Danes were next to seize the throne, and they rule for a few generations before the Saxons reclaimed the crown. The Normans were next followed by the Plantagenets, two of whom ruled during Chaucer's lifetime. Chaucer's life and this scavenger hunt end with the first of the Lancaster line.

Directions: Using sources available online, identify each of the following English monarchs.

1. _____ A king at the age of 9, he was raised by the clergy and therefore easily led by the church. His wife was also influential. He redefined the monarchy such that the king was limited by a pre-Parliament council.
2. _____ This cruel and greedy Plantagenet king abused taxes to the point where every part of society, including the clergy and the Archbishop of Canterbury Stephen Langdon, rose against him. The Church excommunicated him. He was also forced to sign the Magna Carta.
